## INSTITUTION INDUSTRY CELL

An active Institution Industry Cell (IIC) has been functioning in the College. The function of the Cell is to promote closer interaction between the academic field and the professional field. Institution Industry Cell is established to provide closer links with industries. The purpose of the cell is to find out the gap between need of the industry and end product of the institute. The cell is the bridge between the industry, the real world and the institute. Industrial exposure of Faculty is very much helpful to guide students about latest industrial practices. Industries are able to know recent developments and inventions in their fields and implement projects for technologically driven economy. Institution Industry Cell is constituted for Nimra College of Engineering & Technology, Nimra Nagar, Jupudi, Vijayawada, Andhra Pradesh with the following staff for academic year 2025-26.
