MBA

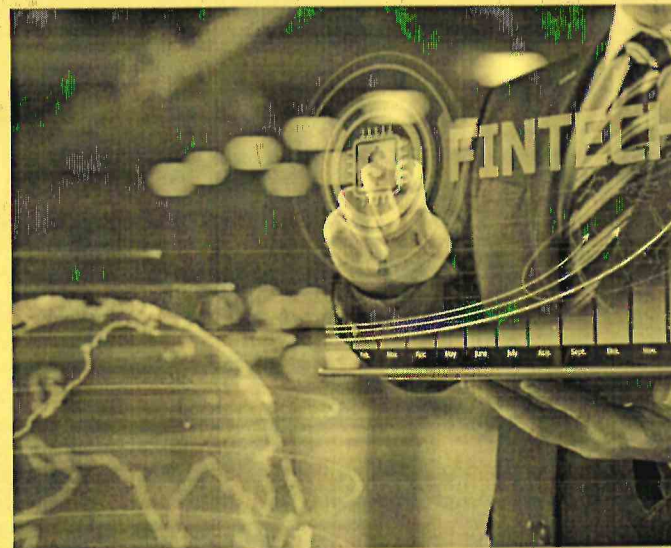

MCA

OBJECTIVES OF PROGRAMME

- fintech refers to the integration of technology into offerings by financial services companies
- It primarily works by unbundling offerings by such firms and creating new markets for them.
- Strategic partnerships between incumbents and FinTechs
- Launch of new digital products or digital-only banks by incumbents
- FinTech policies, launch of initiatives quick approval of loans for small and medium scale enterprises (SMEs)

LEARNING OUTCOMES

- Fintech offers financial services companies to improve their use and delivery to consumers.
- Fintech funding is on the rise, but regulatory problems exist.
- build technology products to penetrate the large consumer
- The FinTech industry is expected to increase the GDP
- creates economic justice and opportunity

Nimra College of Engineering and Technology, Organized a certificate Program on “THE GROWING FINTECH MOVEMENT IN INDIA” for the First year MBA students by the Resource Person. Ms.Md.Rumana Kousar has highlighted following points.

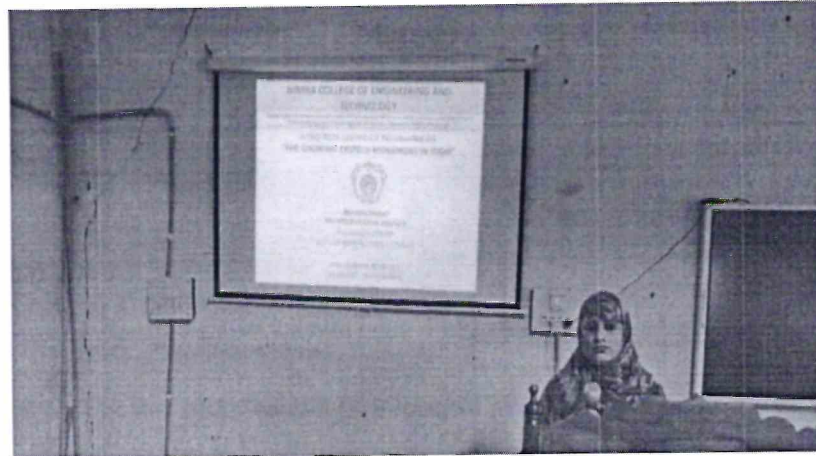

- Reward your staff who are hitting their targets
- Track each objective’s progress and change it accordingly
- Sales objectives are long-term sales metrics to make sure your objectives stay on track.

Objectives:

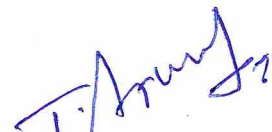

- Enhancing your sales processes and sales activities
- The objective should be realistic, but still challenging
- Is it realistic to increase your customer base.
- to optimize your sales strategy.
- Sales objectives can only be successful if your team has the ability (and the motivation) to see them through.
- Objectives around selling products
- Objectives around gaining (and retaining) customers

Learning Outcomes:

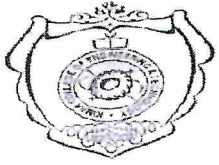

- Important Is It To Your Company's Overall Goals
- Evaluate Your Sales Team
- Track Each Objective's Progress And Change It Accordingly
- A Supportive Manager Is Always There For Their Team Members, Offering Advice And Encouragement
- Hiring And Onboarding New Salespeople As Your Team Grows
- Forecasting And Reporting
- Set Realistic Tactics For Sales.

This course was very useful to the students and their feedback is positive. The management and Dr. Akbar Khan, Principal of NCET thanked the resource Person and participants for making the programme successful.

OBJECTIVES OF PROGRAMME

- The aim of Artificial Neural Networks is to realize a very simplified model of the human brain.
- Artificial Neural Networks try to learn tasks (to solve problems)
- mimicking the behavior of brain.
- The brain is composed by a large set of elements, specialized cells called neurons.
- AI enables the IoT device to use gathered big data to better analyze

LEARNING OUTCOMES

- Each artificial neuron has inputs and produces a single output which can be sent to multiple other neurons.
- The inputs can be the feature values of a sample of external data, such as images or documents, or they can be the outputs of other neurons.
- New nested adaptive neural networks (NANN) for constitutive modeling
- An adaptive modular artificial neural network hourly load forecaster and its implementation at electric utilities

Nimra College of Engineering and Technology, Organized a certificate Program on “An adaptive modular artificial neural Network” for the second year CSE students by the Resource Person.

1. Artificial Neural Networks Are Used For A Range Of Applications
2. Including Image Recognition, Speech Recognition,
3. Machine Translation, And Medical Diagnosis.
4. The Fact That ANN Learns From Sample Data Sets Is A Significant Advantage.
5. The Most Typical Application Of ANN Is For Random Function Approximations

Objectives:

- The Aim Of Artificial Neural Networks Is To Realize A Very Simplified Model Of The Human Brain.
- Artificial Neural Networks Try To Learn Tasks (To Solve Problems)

In an intensely competitive environment, the college has adopted a dynamic, global, high-quality, creative and communicative approach in education. The college aims at imparting high quality excellent education in Engineering and Technology to all categories of students.

COURSES OFFERED

B.TECH:

- Computer Science And Engineering
- Computer Science And Engineering(DS)
- Computer Science And Engineering (AI & MI)
- Electronics And Communication Engineering
- Electrical And Electronics Engineering
- Mechanical Engineering

P G COURSES:

- Computer Science And Engineering
- VLSI System Design
- MBA
- MCA

OBJECTIVES OF PROGRAMME

The role of algorithms and data structures in Computer Science.

Programming forms the core of Computer Science.

Algorithms and data structures move the focus of programming away from the constructs found in programming languages

To considering how we can program the computer to do useful things.

Data structure stores and organizes a large set of data in computer memory

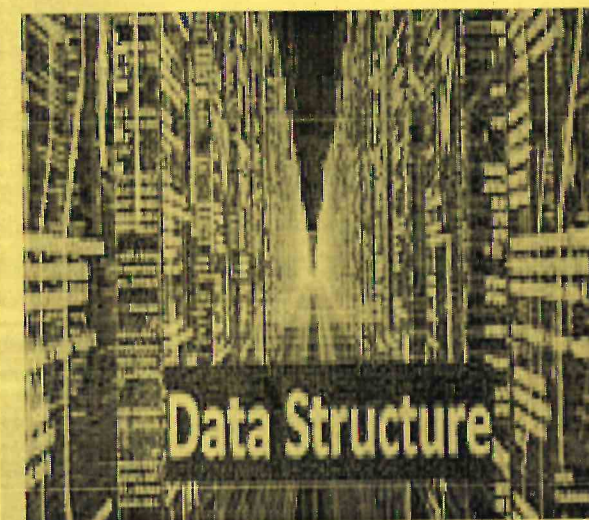

LEARNING OUTCOMES

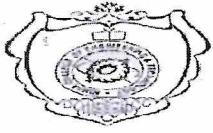

To understand basic data structures, their implementation and some of their standard applications.

To develop the ability to design

Ability to program data structures and use them in implementations of abstract data types.

Ability to devise novel solutions to small scale programming challenges involving data structures and and recursion

NAME OF THE TOPIC: A Two week Certificate Programme on “ ALGORITHM AND DATA STRUCTURES FOR EXTERNAL MEMORY

LESSON PLAN		
S.NO	DATE	TOPIC TO BE COVERED
1	2/28/2023	The external memory model captures the memory hierarchy.
2	3/1/2023	external memory data structure are A data structure that is efficient even when accessing most of the data is very slow, such as, on a disk.
3	3/2/2023	data structure is used in memory is Representation of data structure in memory is known as Abstract Data Type.
4	3/3/2023	the most widely used external memory data structures are So B-tree is used as an external memory data structure.
5	3/4/2023	the three types of external memories are Magnetic Tape,Floppy Disk,External Hard Disk Drives
6	3/6/2023	The external data structures stored is Most large computer systems have on-line external storage devices, such as disks or mass storage devices,
7	3/7/2023	Algorithms for Data Structures for External Memory
8	3/9/2023	Parallel Disk Model (PDM)
9	3/10/2023	Practical Modeling Considerations
10	11-03-2023	External Sorting and Related Problems
11	13-03-2023	Sorting by Merging.
12	14-03-2023	External Memory Interval Trees.
13	15-03-2023	Trade-offs for external memory dictionaries
14	16-03-2023	Buffer trees: basic structure, used as priority queues, and used as range trees.

PROGRAM REPORT

Name of the Event:

A Two week Certificate Programme on “ALGORITHM AND DATA STRUCTURES FOR EXTERNAL MEMORY”

Date: 28-02-2023 to 16-03-2023

Resource Person:

Mr.Nagul Sheerif
Assistant. Professor
Dept .of Computer Science &Engineering

Mobile: 8142254100
E-mail: hussain.nist@gmail.com

Name of Co-ordinator: SK.Naseema Begum

Assistant. Professor
Dept.of Computer Science &Engineering

Number of students attended: 55

Venue: Seminar Hall, NCET.

Nimra College of Engineering and Technology, Organized a certificate Program on “FUTURE TRENDS IN INTERNET OF THINGS” for the First year CSE students by the Resource Person.

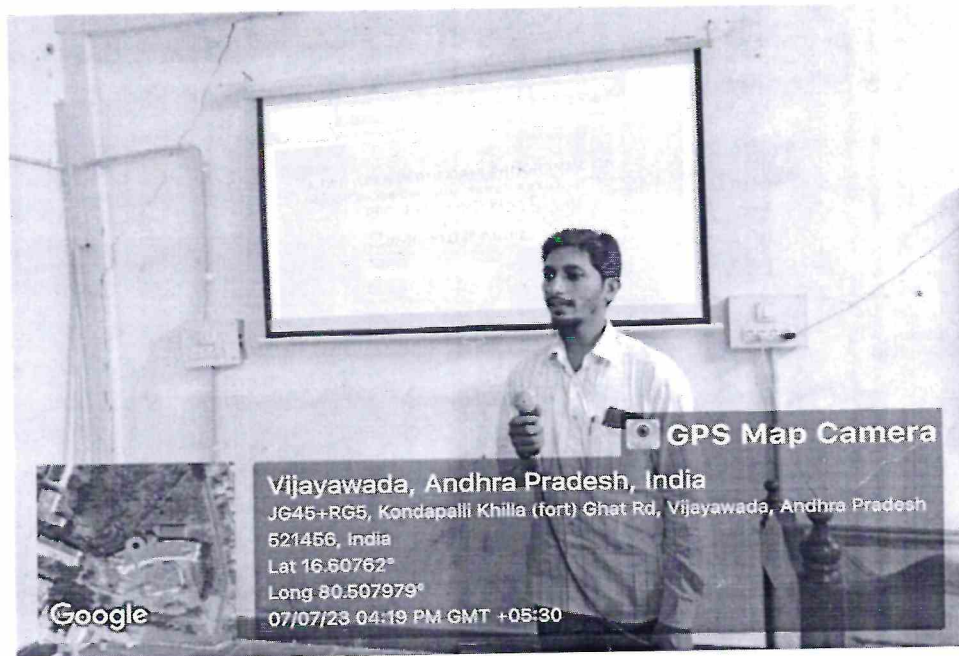

1. Data structures allow information storage
2. it provides the means for management of large data like databases,
3. work together and are necessary for efficient algorithms,
4. safe storage of data, allows easier processing of data,
5. the use of the internet to access data anytime

Objectives:

1. The role of algorithms and data structures in Computer Science.
2. Programming forms the core of Computer Science.
3. Algorithms and data structures move the focus of programming away from the constructs found in programming languages
4. To considering how we can program the computer to do useful things.
5. Data structure stores and organizes a large set of data in computer memory

Learning Outcomes:

1. To understand basic *data structures*,
2. Their implementation and some of their standard applications.
3. To develop the ability to design .
4. Ability to program data structures and use them in implementations of abstract data types.
5. Ability to devise novel solutions to small scale programming challenges involving data structures and recursion.

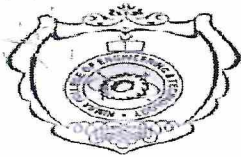

This course was very useful to the students and their feedback is positive. The management and Dr .Akbar Khan Principal of NCET thanked the resource Person and participants for making the programme successful.
