Subject: NSS activity – Say NO to Plastic Bags Campaign - Reg.,

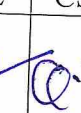

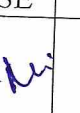

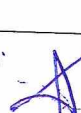

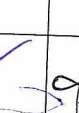

Regarding the subject mentioned above this is to inform all faculty members, staff and students that, the volume of littered waste in particular, single use plastic items such as the plastic carry bags and pet bottles are increasing significantly and becoming a major threat to the environment. The plastic litter takes an average of one thousand years to decompose completely because plastics are durable, buoyant, waterproof, indigestible and non-biodegradable. In this regards an awareness campaign on “Say NO to Plastic Bags” is being organized by the NSS unit of NCET on 2nd July, 2022 (Saturday) at the adopted village Jupudi on the occasion of International Plastic Bag Free Day (IPBFD) on 3rd July, 2022. The day focuses on combating plastic pollution under the campaign through advocacy, education, and personal actions. Also to create a collective consciousness and encouraging individuals to use of environment friendly bags by reducing their reliance on single-use plastic matters which are environmentally dangerous. The purpose of the program is too aware the community and to make earth clean, green and pollution free planet.

Hence, all are requested to remind people of local communities and students to beat plastic pollution by avoiding excessive use of plastic bags and matters in their daily use because if you can, reuse it and refuse it. The interested participants and NSS volunteers may contact the NSS program officer Dr.A.Venkateswara Rao and register their names on or before 02-07-2022 for making this event a huge success in a useful manner.

Event description:-

On 2nd July, 2022, NSS unit of NCET successfully conducted a "Say NO to Plastic Bags" campaign in a very befitting manner at the adopted village Jupudi on the occasion of International Plastic Bag Free Day (IPBFD) on 3rd July, 2022. The campaign aimed to bring public awareness about use of environment friendly bags by reducing their reliance on single-use plastic matters for making plastic pollution free environment. The campaign started around at 10:30 am with an introductory speech by Dr.Akbar Khan, Principal of the college. He has delivered awareness speech to participants and enlightens them on the crucial role of individuals toward reducing public reliance on plastic bags and promoting reusable bags made from sustainable materials for a cleaner and healthier environment. He made them to understand the various types of plastic pollution created by human beings and educated them on how to recycle plastic litters for making earth clean, green and pollution free environment.

Thereafter, all the participants moved to the adopted village and divided themselves into groups. They started to speak owners of hotels, fruit & vegetable trolleys, milk dairies, small shops and requested them to minimize the use of plastic bags & matters. They suggested them to not provide plastic covers or pack the food in plastic containers and encourage the customers to bring their own cloth bags instead of plastic bags. They collected back as many plastic bags and plastic items as possible from there. Some of the student volunteers formed groups to visit the houses in the village and were distributed Cloth bags to local people, shop keepers. They handed cloth bags to people they saw carrying plastic covers on the road so they can use them instead of plastic bags when they go out to buy something. They encouraged the public to keep their surroundings plastic-free and their families to go plastic-free as well. Some of the student volunteers interacted with public to spread awareness on the effects of pasting pollution and educated them individually on how they could dispose plastic items that they currently had and requested them to say no to plastic in the future. In addition, they gave the residents cloth bags and requested them to use these instead of plastic bags and stopping the use of plastic in their household.

We also met a very enterprising member of the Jupudi Gram Panchayat who was very supportive of our campaign and maintained that they too were banning the use of single-use plastic matters in their village. Before the end of campaign they all took an oath to keep their campus and surroundings plastic-free and encourage their families to go plastic-free as well. At the end, the Program Officer Dr.A.Venkateswara Rao appreciated each and everyone for their attention, enthusiasm and positive step towards environment protection and he also extended a wide round of applause and a sincere vote of thanks to all the participants who made this event success and a memorable one.

Subject: NSS activity – Charity Day drive - reg.,

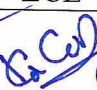

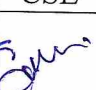

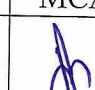

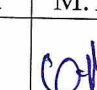

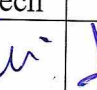

In regards to the subject cited above this is to inform all the students, faculty members and staff that, the International Day of Charity is observed annually on 5 September to commemorate the anniversary of the passing away of Mother Teresa, the humanitarian nun, Nobel laureate and founder of the Missionaries of Charity. Charity is a humanitarian act to overcome poverty and distress therefore, the NSS unit of Nimra College of Engineering & Technology (NCET) has decided to organize a “Charity Day” drive on Monday, 5th September, 2022, at 10:30 am. The day aims to eliminate poverty, inequality, and the effects of humanitarian crises and to raise awareness on “Give-Support-Donate together” to the needy sections of local community such are orphans and roadside beggar.

Hence, NCET NSS unit is looking for your active participation in this event to donate Fruits, Sanitary pads and Blankets to poorest of the poor people in the nearby community of Ibrahimpatnam and Kondapalli. The interested volunteers may contact the NSS program officer Dr.A.Venkateswara Rao and register their names on or before 05-09-2022 without fail to make this event success in a beneficial manner.

CIRCULAR

Subject: NSS activity – Clean India - Green India Campaign - reg.,

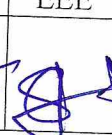

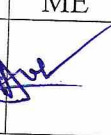

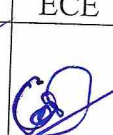

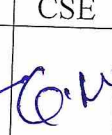

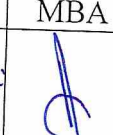

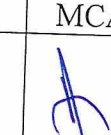

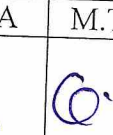

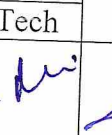

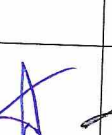

All the students, faculty members and non-teaching staffs of Nimra College of Engineering and Technology are informed that, keeping our surroundings clean and greener are major essential factors for the environment. The NSS unit of college has initiated efforts to maintain clean and green surroundings in-campus and off-campus areas. In this regards, the NSS unit of NCET is being organized a “Clean India - Green India” campaign on 29th March 2023 (Wednesday) on the occasion of National Cleaning Week (NCW). The sole purpose of campaign is “To achieving sustainable and environmentally sound practices of minimizing and managing waste” for garbage free environs. Also, Open defecation is still a significant issue in rural areas of our country. Therefore, under this campaign, making our surroundings free from open defecation is one of the campaign's primary goals.

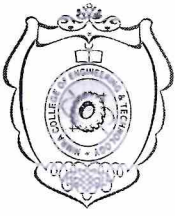

Therefore, all are requested to take an active initiation to make this event a huge success by raising public awareness about the benefits of zero waste, responsible consumption and proper disposal of single used solid waste. The interested participants and volunteers may contact the NSS program officer Dr.A.Venkateswara Rao and register their names on or before 29-03-2023 without fail.

Event name : Clean India - Green India Campaign
Event day & date : Wednesday, 29th March 2023, at 11:30 am.

Event description	<p>On 29th March, 2023, Nimra College of Engineering and Technology, Jupudi, successfully conducted a “Clean India - Green India” campaign under the NSS unit of NCET at the adopted village Jupudi as part of the National Cleaning Week (NCW). The campaign started around at 11:30 am with a key note address about the purpose of campaign by Dr.Akbar Khan, the Principal of the college. He encouraged the participants to maintain open defecation free environs and sustainable environment practices, as well as to keep surroundings clean and hygiene by minimizing the solid waste.</p> <p>Thereafter, all the volunteers moved to the adopted village and started cleaning activities to disseminate the healthy sanitation practices. They swept away the biodegradable waste materials and disposed safely. Some of the participants collected non-biodegradable solid waste materials from either side of road and streets which littered and scattered in particularly plastic ropes, nets, wrappers, water cans, broken glasses, carry-bags and single used plastic bottles. The collected waste matters threw in to the big dustbins and transferred to recycle center within Jupudi Gram Panchayat with the help of Gram Panchayat workforce.</p> <p>Before the end of the campaign, they interacted with local people of village to spread awareness about the effects of improper disposal of non-biodegradable matters and educated them individually on how they could dispose plastic items properly that they currently had and requested them to say no to plastic in the future.</p> <p>At the end, NSS Program Officer Dr.A.Venkateswara Rao appreciated all the participants for their active and collective involvement in the event for making this campaign a great success. He also expressed a sincere vote of thanks to each participant. Finally, the event ended by 3:30 pm with an oath of keeping their living place and environs with clean and opens defecation free all together.</p>

Subject: NSS activity – Plant Trees for a better Life campaign - reg.,

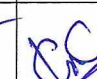

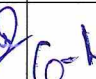

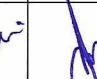

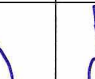

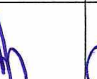

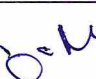

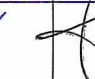

As a part of institutional Nation Service Scheme responsibility, the NSS unit of the college will be conducting a “**Plant Trees for a better Life**” campaign on Saturday, 22nd April 2023 on the occasion of World Earth Day (International Mother Earth Day). The day is celebrated annually on April 22nd to raise awareness of the rapidly-raising levels of pollution, climate change and promote action to maintain greener and healthier Earth for future generations by plantation.

Therefore, all students, faculty members and staff of our college are fervently requested to participate in Tree Plantation and make this movement success and memorable. Additionally, are directed to increase the green cover as well as to raise awareness related to the environmental problems in the nearby villages of the college. The willing participants may contact the NSS program officer Dr.A.Venkateswara Rao and register their names on or before 22-04-2023 without fail to make this event a great success.
