Event description:

The NSS unit of Nimra College of Engineering and Technology (NCET), Jupudi, organized a "One Student One Tree" plantation campaign on 5th June 2018 and planted number of saplings at Nimra Nagar and college campus as part of the World Environment Day (WED) celebrations. The main objective of event was that each student should plant one tree and also nurture that tree during his or her stay in university campus for improving the quality of Nature at an individual level.

The campaign started around at 10:30 am, the guest speaker Dr.T.Narayana Murthy has given an awareness speech on Environment Day to increase the green cover in the campus. Besides, he stated that the importance of Tree Plantation, land reclamation, and the crucial role of an individual in minimizing global warming to make the surroundings greener and healthier. The first tree was planted by the Principal of college in the campus and the remaining saplings were planted by the students and staff in the local areas around the college campus and Jupudi village. The students from different departments of the College participated in the event and each one planted one tree. The NSS volunteers planted the trees with more enthusiasm and without getting tired, and the saplings were successfully planted to provide a good atmosphere for future generations by refusing to allow anyone to cut down trees and instead planting more and more trees. All the participants joined their hands and took a pledge together that they will take care of the planted tree during their stay in the college campus for increasing Air quality of the surrounding environs.

The campaign was conducted successfully in a befitting manner; all the participants were educated on this event. The NSS Program Officer Dr.A.Venkateswara Rao appreciated all the participants for their presence and active involvement in the Tree Plantation. Finally, the event ended by 2:00 pm with a heartfelt vote of thanks to each one.

Event description:

On 15th September 2018, Nimra College of Engineering and Technology, Jupudi successfully conducted a “Swachh Survekshan” campaign under the NSS unit of college at the adopted village Jupudi as part of the World Cleanup Day (WCD) with the aim of “One step towards Cleanliness”.

The campaign was started around at 10:30 am and the Principal of the college addressed the aim/motto of campaign then delivered awareness speech on the importance of sanitation and one step towards Cleanliness. Thereafter, registered participants moved to adopted village and started picking non biodegradable solid waste materials such as wrappers, plastic bottles, glasses, rubber pieces and etc. lying scattered either side of the road. Some of the participants picked brooms and swept away the littered solid waste materials. After collecting them threw in to the dustbins and transferred to recycle center with in Jupudi Gram Panchayat.

It was a unique experience for everyone finally; the NSS Program Officer Dr.A.Venkateswara Rao appreciated all the participants for their curiosity and collective involvement in this event. He also extended a heartfelt vote of thanks to each participant and ended the event by 3 pm with an oath of keeping their living place, locality and city clean and hygiene.

Event description:

As a part of the World Water Day (WWSO), the NSS unit of Nimra College of Engineering and Technology, Jupudi successfully organized a **“Rain water Harvesting Pit”** campaign on 22nd March 2019, at the adopted village Jupudi aimed to overcome water crisis via restoration of ground water.

The campaign started around at 10:30 am with a key note address by the Program Officer Dr.A.Venkateswara Rao. He addressed the sole aim of campaign and also emphasized the importance of Rainwater harvesting Pit construction in local areas for preventing water crisis/scarcity, soil erosion, rainwater runoff, flooding, and contamination of surface water with composts, pesticides, metals, and different dregs. In this method, rainwater is collected from a roof-like surface and redirected to deep pit of ground. After speech, all the participants reached to catchment area of the adopted village Jupudi then cleaned it and measured the rate of percolation of the soil. Thereafter, all are started to dig a pit into the ground up to 3 meters deep and 2 meters wide. Furthermore, everyone involved in the construction of rain water harvesting pit by following preferable diameters with the assistance of Jupudi Gram Panchayat workforce.

It was a unique experience for everyone. The NSS Program Officer Dr.A.Venkateswara Rao appreciated all the participants for their huge efforts, curiosity and collective involvement in making this event a huge success in a befitting manner. The campaign was ended by 3:30 pm with a deepest and sincere vote of thanks to each participant for their collaborative participation.
