

MEMORANDUM OF UNDERSTANDING

BETWEEN

VIJAYA INSTITUTE OF TECHNOLOGY FOR WOMEN (VITW)
Enikepadu, Vijayawada-521108, Krishna District, Andhra Pradesh, India

AND

NIMRA COLLEGE OF ENGINEERING AND TECHNOLOGIES

Nimra Nagar , Jupudi(V), Vijayawada , Ibrahimpatnam-521456
Krishna District, Andhra Pradesh, India

**A MEMORANDUM OF UNDERSTANDING ON “ACADEMIC
COLLABORATION”
BETWEEN
VIJAYA INSTITUTE OF TECHNOLOGY FOR WOMEN (VITW)
AND
NIMRA COLLEGE OF ENGINEERING AND TECHNOLOGIES**

This MOU is entered into on the day of 4th, JUNE 2022 between Vijaya Institute of Technology for Women Vijayawada Andhra Pradesh, India and Nimra College of Engineering and Technology, Nimra nagar, Jupudi, Vijayawada, AP, India, 521456.

1. Objectives:

1.1. To contribute further to the regional understanding between faculty and staff of VITW and NCET for enhancing skills of students/aspirants through internship and vocational training in order to enhance the quality of Technical and Engineering education in the Country.

1.2. To strengthen collaboration between VITW and NCET through academic programs in instruction, research and faculty development among the faculty and students of both parties.

2. Scope

The Scope of collaboration on academic and research activities in this Memorandum of Understanding includes the following categories:

1. Developing research projects jointly and avail funding
2. Exchange of academic information, materials and facilities
3. Students Exchange
4. Faculty and Staff Exchange
5. Research aid to Ph.D. scholars by both parties
6. Intellectual property rights of the collaboration work belonging to both parties
7. Organizing/participation in Joint symposia, seminars, conferences, workshops etc.
8. Developing articulations for twinning/joint programs and allowing students to undertake part of the programme/course of study at each organization; and

12

9. Promoting such other activities/programs as mutually agreed from time to time.

2.1 Developing research projects jointly and avail funding

Both the parties agree to undertake research projects/activities through sharing of research ideas, data and academic resources that can lead to joint publications, development of any product or other intended outcomes like Intellectual property rights/ patents/discoveries generated out of the research activities, belonging to both parties. Such collaboration activities will also include joint research conferences, visitations and sabbaticals at each other's premises; subject to mutual consent of both the parties. All such joint research activities will be governed by the terms and conditions lay down by separate written agreement by both organizations.

2.2 Exchange of academic information, materials and facilities

Both parties agree to exchange academic information, facilities, resources etc. as mutually agreed from time to time.

2.3 Students Exchange

Short Courses/ Summer School: These courses, usually two to four weeks in duration, will normally be held in spring or summer as mutually agreed. The programs will facilitate visits by students and faculty to learn about the industry environment and culture. In addition to various topics on industry operations and culture, the course would include meetings with industry executives, and visits to various industrial establishments. The cost and other terms of such programs will be mutually worked out separately each year.

2.4 Faculty and Staff Exchange

Both organizations agree to develop opportunities for faculty to teach courses, conduct seminars and undertake such other activities at each other's campus as mutually agreed. Visiting faculty will be provided with opportunities to observe and share teaching methods and curriculum. NCET and VITW will exchange faculty according to the terms and conditions as mutually agreed upon.

2.5 Organizing/ participation in Joint symposia, seminars, conferences, workshops etc.

Both organizations will promote their faculty and staff participation in the conferences, conclaves and seminars organized by each other to strengthen the ties between both the organizations and will also jointly organize symposia, seminars, conferences, workshops and other programs as mutually agreed.

3. Advertising & Publicity

Both the parties will publicly advertise the collaboration under this MoU among students, staff etc., if agreed by their management. Where reasonably possible, in making advertisements or public announcements in relation to this MoU, each organization shall acknowledge the participation of other organization and the contribution that other organization has made if any.

4. Commencement, renewal, termination and amendment

This MOU will come into force upon affixing of the signatures of the representatives of the both organizations and will remain in effect for one (1) year. This MOU will be renewed upon its expiry, as per mutual agreement of both organizations. If either organization wishes to terminate the MOU at the end of one year period or in between the period of one year, it must notify the other organization not less than one month prior to the expiry of the MOU. The event of termination will not affect participants from completing their activities at the host party already initiated or ongoing unless otherwise mutually agreed. This MoU, its renewal and the actions taken under it will be reviewed at any time. Modifications to MoU will be made by mutual consent and any amendment or extension to the MoU will be formalized by the exchange of letters and or emails between the two organizations.

5. Coordinators:

Each organization agrees to appoint an overall Coordinator for the administration of this MOU. The Coordinator will serve as the contact person on campus. These coordinators will ensure smooth flow of communication and would be responsible to ensure that necessary approvals are in place for student/faculty exchange, articulation agreement etc. These coordinators will be responsible to ensure the effectiveness and enforcement MOU. Both organizations are responsible for keeping their contact details up to date. Contact details and address of the designated coordinators are given hereunder:

6. Resolution of Disputes and Governing Law:

In the event of any unforeseen issues or matters not covered herein or any controversy, dispute or difference arising out of or in connection with this MoU, the same shall be resolved amicably by both the organizations. This MoU and further agreements will in all respect be governed by and construed in accordance with the laws of Republic of India. This MOU shall be signed in counterpart. Each counterpart will constitute an original document and these counterparts taken together, shall constitute one and the same MOU.

Memorandum of Understanding (MoU)

Between

Rajamahendri Institute of Engineering & Technology

And

Nimra College of Engineering and Technology

This Memorandum of Understanding ("MoU") is entered into on 07th October, 2022 by and between **Rajamahendri Institute of Engineering & Technology** located at Near Pidimgoyyi, Bhoopalapatnam, Rajamahendravaram-533107, Andhra Pradesh, herein after referred to as "1st Party," and **Nimra College of Engineering and Technology**, located at Jupudi Village, Ibrahimpatnam (M), Vijayawada-521456, hereinafter referred to as "2nd Party."

Purpose:

The purpose of this MoU is to formalize the collaboration and cooperation between 1st Party and 2nd Party for the following purposes:

- Internship opportunities for students.
- Joint workshops, seminars, and training programs.
- Collaborative research and development projects.
- Any other relevant educational initiatives.

Scope of Collaboration:

The specific projects, initiatives, and areas of collaboration to be pursued under this MoU include:

- Both colleges agree to facilitate and support students' internships.
- Collaboration on planning, organizing, and conducting workshops and training programs.
- Jointly identifying, planning, and executing research and development projects.
- Exchange of resources, faculty, and expertise for the betterment of both institutions.

Terms and Conditions:

- Both colleges will define the specific terms and conditions for each type of collaboration (internships, workshops, projects) in separate agreements.
- All activities shall be conducted in accordance with relevant laws and regulations.
- Both colleges will maintain open and transparent communication throughout the collaboration.

Duration:

This MoU shall be in effect for a period of 1 year, commencing on 07th October, 2022. It may be renewed upon mutual agreement of both parties.

Termination:

Either party may terminate this MoU with written notice to the other party if there is a breach of any terms and conditions outlined herein or for other valid reasons agreed upon by both parties.

Governing Law:

This MoU shall be governed by and construed in accordance with the laws of Government of Andhra Pradesh.

IN WITNESS WHEREOF, the parties hereto have executed this MoU as of the date first above written.

**A MEMORANDUM OF UNDERSTANDING ON “ACADEMIC
COLLABORATION”**

BETWEEN

**NRI INSTITUTE OF TECHNOLOGY
VIJAYAWADA, ANDHRA PRADESH**

AND

**NIMRA COLLEGE OF ENGINEERING & TECHNOLOGY
VIJAYAWADA, ANDHRA PRADESH**

This MOU is entered into on the day of 7th, **OCTOBER 2022** between NRI Institute of Technology (Autonomous) situated at Pothavarappadu, and Vijayawada (hereinafter called NRIIT and NIMRA COLLEGE OF ENGINEERING & TECHNOLOGY (hereinafter called NCET), an Engineering college affiliated to Jawaharlal Nehru Technological University, Kakinada. The aforesaid institutions are hereinafter referred to individually as institute and collectively as institutes. Sri Durga Malleswara Educational Society was established in 2007 with the objective of reaching the zenith in the field of education. NRI College of Pharmacy, started in 2007 and NRI Institute of Technology, started in 2008 are the result of such sincere and dedicated efforts and stern determination of the founders of the society. NRI Institute of Technology is an AICTE approved Institution affiliated to the JNTUK which functions as a private self-financing institution to cater to the needs of juvenile aspirants in and around Vijayawada. The promoters of NRIIT started the college with a vision to empower the students with vibrant technology, sensitively matured and innovative to face the challenges of real time global experiences. The founders are socially conscious and continuously responding to the needs and requirements of the region, to uplift the region and to promote educational facilities by establishing schools, to promote games and sports activities in the region, help the poor and improve their health standards by organizing free medical camps etc., Since the day of inception, NRIIT has been growing at a credible but steady pace for an educational institution of its kind. Both NRIIT and NRI College of Pharmacy have been taking a place of pride every year JNTUK results are announced. NRI College of Pharmacy

had recently added a feather to the crown of the Society by successfully placing its first outgoing batch of dynamic young pharmacists in various esteemed Organizations is an Autonomous Institution with good discipline as well as Result oriented with NAAC-A Grade, JNTU Kakinada -Permanent affiliation and ISO Certified Institution and NIMRA COLLEGE OF ENGINEERING& TECHNOLOGY. In the interest of establishing a relationship of mutual benefit to both organizations, NRInsititute of Technology, Vijayawada (NRIIT) and (NCET)have agreed to the areas of collaboration on academic and research related activities as mentioned in this MoU.

1. Objectives:

1.1. To contribute further to the regional understanding between faculty and staff of NRIIT and NCET for enhancing skills of students/aspirants through internship and vocational training in order to enhance the quality of Technical and Engineering education in the Country.

1.2. To strengthen collaboration between NRIIT and NCET through academic programs in instruction, research and faculty development among the faculty and students of both parties.

2. Scope

The Scope of collaboration on academic and research activities in this Memorandum of Understanding includes the following categories:

- 1. Developing research projects jointly and avail funding
- 2. Exchange of academic information, materials and facilities
- 3. Students Exchange
- 4. Faculty and Staff Exchange
- 5. Research aid to Ph.D. scholars by both parties
- 6. Intellectual property rights of the collaboration work belonging to both parties
- 7. Organizing/participation in Joint symposia, seminars, conferences, workshops etc.
- 8. Developing articulations for twinning/joint programs and allowing students to undertake part of the programme/course of study at each organization; and
- 9. Promoting such other activities/programs as mutually agreed from time to time.

2.1 Developing research projects jointly and avail funding

Both the parties agree to undertake research projects/activities through sharing of research ideas, data and academic resources that can lead to joint publications, development of any product or other intended outcomes like Intellectual property rights/ patents/discoveries generated out of the research activities, belonging to both parties. Such collaboration

activities will also include joint research conferences, visitations and sabbaticals at each other's premises; subject to mutual consent of both the parties. All such joint research activities will be governed by the terms and conditions lay down by separate written agreement by both organizations.

2.2 Exchange of academic information, materials and facilities

Both parties agree to exchange academic information, facilities, resources etc. as mutually agreed from time to time.

2.3 Students Exchange

Short Courses/ Summer School: These courses, usually two to four weeks in duration, will normally be held in spring or summer as mutually agreed. The programs will facilitate visits by students and faculty to learn about the industry environment and culture. In addition to various topics on industry operations and culture, the course would include meetings with industry executives, and visits to various industrial establishments. The cost and other terms of such programs will be mutually worked out separately each year.

2.4 Faculty and Staff Exchange

Both organizations agree to develop opportunities for faculty to teach courses, conduct seminars and undertake such other activities at each other's campus as mutually agreed. Visiting faculty will be provided with opportunities to observe and share teaching methods and curriculum. NRIIT and NCET will exchange faculty according to the terms and conditions as mutually agreed upon.

2.5 Organizing/ participation in Joint symposia, seminars, conferences, workshops etc.

Both organizations will promote their faculty and staff participation in the conferences, conclaves and seminars organized by each other to strengthen the ties between both the organizations and will also jointly organize symposia, seminars, conferences, workshops and other programs as mutually agreed.

3. Advertising & Publicity

Both the parties will publicly advertise the collaboration under this MoU among students, staff etc., if agreed by their management. Where reasonably possible, in making advertisements or public announcements in relation to this MoU, each organization shall acknowledge the participation of other organization and the contribution that other organization has made if any.

4. Commencement, renewal, termination and amendment

This MOU will come into force upon affixing of the signatures of the representatives of the both organizations and will remain in effect for one (1) year. This MOU will be renewed upon its expiry, as per mutual agreement of both organizations. If either organization wishes to terminate the MOU at the end of one year period or in between the period of one year, it must notify the other organization not less than one month prior to the expiry of the MOU. The event of termination will not affect participants from completing their activities at the host party already initiated or ongoing unless otherwise mutually agreed. This MoU, its renewal and the actions taken under it will be reviewed at any time. Modifications to MoU will be made by mutual consent and any amendment or extension to the MoU will be formalized by the exchange of letters and or emails between the two organizations.

5. Coordinators:

Each organization agrees to appoint an overall Coordinator for the administration of this MOU. The Coordinator will serve as the contact person on campus. These coordinators will ensure smooth flow of communication and would be responsible to ensure that necessary approvals are in place for student/faculty exchange, articulation agreement etc. These coordinators will be responsible to ensure the effectiveness and enforcement MOU. Both organizations are responsible for keeping their contact details up to date. Contact details and address of the designated coordinators are given hereunder:

6. Resolution of Disputes and Governing Law:

In the event of any unforeseen issues or matters not covered herein or any controversy, dispute or difference arising out of or in connection with this MoU, the same shall be resolved amicably by both the organizations. This MoU and further agreements will in all respect be governed by and construed in accordance with the laws of Republic of India. This MOU shall be signed in counterpart. Each counterpart will constitute an original document and these counterparts taken together, shall constitute one and the same MOU.

Memorandum of Understanding (MoU)

Between

Nimra College of Engineering and Technology

And

Sree Vahini Institute of Science & Technology

This Memorandum of Understanding ("MoU") is entered into on 12th Day of November, 2022 between **Nimra College of Engineering and Technology**, located at Jupudi Village, Ibrahimpatnam (M), Vijayawada-521456, herein after referred to as (I Party) and **Sree Vahini Institute of Science & Technology**, located at Sai Vahini Nagar, By-Pass Road, Tiruvuru-521235. A.P. (II Party)

Objectives of MoU:

The purpose of MoU is with reference to exploring the areas of co-operation, benefiting both the Institutions. The areas of co-operation are

- i. To explore the possibilities of mutual support in the field of learning, training etc.,
- ii. To establish meaningful linkages between the Institutions.
- iii. To achieve excellence in Technical Education through an attitude of outreach & Partnership.
- iv. Encourage faculty members to collaborate on research, teaching and professional development. This can lead to the exchange of expertise and the development of innovative teaching methods.

- v. Work together on community outreach and engagement projects, such as providing educational and vocational training programs to the local community. The objective is to fulfill the colleges' social responsibility.

Commercials:

This is a non-commercial agreement whereas neither party is required to make any payment to other party for fulfilling the above objectives. The present MoU is not legally binding on the parties.

Terms & Conditions:

This memorandum of Understanding will be operational and valid from 12.11.2022 and the initial tenure is one year. Upon completion of the tenure, the agreement can be renewed for another one year and so on with mutual consent of both parties. Under normal circumstance, either party wanting to terminate the agreement can do so and it can be done on a mutually agreed upon date in a justified way with a notification given at least one month prior to termination date.

AND

NIMRA COLLEGE OF ENGINEERING AND TECHNOLOGY

Nimra Nagar, Jupudi (V), Vijayawada, Ibrahimpatnam-521456
Krishna Dist, Andhra Pradesh, India

**A MEMORANDUM OF UNDERSTANDING ON “ACADEMIC
COLLABORATION”
BETWEEN
AMRITASAI INSTITUTE OF SCIENCE AND TECHNOLOGY
AND
NIMRA COLLEGE OF ENGINEERING AND TECHNOLOGY**

This MOU is entered into on the day of 12th November 2022 between Amrita Sai Institute of Science and Technology, Paritala, Andhra Pradesh, India and Nimra College of Engineering and Technology, Nimra Nagar, Jupudi Village, Ibrahimpatnam, Andhra Pradesh, India.

1. Objectives:

1.1. To contribute further to the regional understanding between faculty and staff of ASIST and NCET for enhancing skills of students/aspirants through internship and vocational training in order to enhance the quality of Technical and Engineering education in the Country.

1.2. To strengthen collaboration between ASIST and NCET through academic programs in instruction, research and faculty development among the faculty and students of both parties.

2. Scope:

The Scope of collaboration on academic and research activities in this Memorandum of Understanding includes the following categories:

1. Developing research projects jointly and avail funding
2. Exchange of academic information, materials and facilities
3. Students Exchange
4. Faculty and Staff Exchange
5. Research aid to Ph.D. scholars by both parties
6. Intellectual property rights of the collaboration work belonging to both parties
7. Organizing/participation in Joint symposia, seminars, conferences, workshops etc.
8. Developing articulations for twinning/joint programs and allowing students to undertake part of the programme/course of study at each organization; and
9. Promoting such other activities/programs as mutually agreed from time to time.

2.1 Developing research projects jointly and avail funding

Both the parties agree to undertake research projects/activities through sharing of research ideas, data and academic resources that can lead to joint publications, development of any product or other intended outcomes like Intellectual property rights/ patents/discoveries generated out of the research activities, belonging to both parties. Such collaboration activities will also include joint research conferences, visitations and sabbaticals at each other's premises; subject to mutual consent of both the parties. All such joint research activities will be governed by the terms and conditions lay down by separate written agreement by both organizations.

2.2 Exchange of academic information, materials and facilities

Both parties agree to exchange academic information, facilities, resources etc. as mutually agreed from time to time.

2.3 Students Exchange

Short Courses/ Summer School: These courses, usually two to four weeks in duration, will normally be held in spring or summer as mutually agreed. The programs will facilitate visits by students and faculty to learn about the industry environment and culture. In addition to various topics on industry operations and culture, the course would include meetings with industry executives, and visit various industrial establishments. The cost and other terms of such programs will be mutually worked out separately each year.

2.4 Faculty and Staff Exchange

Both organizations agree to develop opportunities for faculty to teach courses, conduct seminars and undertake such other activities at each other's campus as mutually agreed. Visiting faculty will be provided with opportunities to observe and share teaching methods and curriculum. ASIST and NCET will exchange faculty according to the terms and conditions as mutually agreed upon.

2.5 Organizing/ participation in Joint symposia, seminars, conferences, workshops etc.

Both organizations will promote their faculty and staff participation in the conferences, conclaves and seminars organized by each other to strengthen the ties between both the organizations and will also jointly organize symposia, seminars, conferences, workshops and other programs as mutually agreed.

3. Advertising & Publicity

Both the parties will publicly advertise the collaboration under this MoU among students, staff etc., if agreed by their management. Where reasonably possible, in making advertisements or public announcements in relation to this MoU, each organization shall

acknowledge the participation of other organization and the contribution that other organization has made if any.

4. Commencement, renewal, termination and amendment

This MOU will come into force upon affixing of the signatures of the representatives of the both organizations and will remain in effect for one (1) year. This MOU will be renewed upon its expiry, as per mutual agreement of both organizations. If either organization wishes to terminate the MOU at the end of one year period or in between the period of one year, it must notify the other organization not less than one month prior to the expiry of the MOU. The event of termination will not affect participants from completing their activities at the host party already initiated or ongoing unless otherwise mutually agreed. This MoU, its renewal and the actions taken under it will be reviewed at any time. Modifications to MoU will be made by mutual consent and any amendment or extension to the MoU will be formalized by the exchange of letters and or emails between the two organizations.

5. Coordinators:

Each organization agrees to appoint an overall Coordinator for the administration of this MOU. The Co-ordinator will serve as the contact person on campus. These coordinators will ensure smooth flow of communication and would be responsible to ensure that necessary approvals are in place for student/faculty exchange, articulation agreement etc. These coordinators will be responsible to ensure the effectiveness and enforcement MOU. Both organizations are responsible for keeping their contact details up to date. Contact details and address of the designated coordinators are given hereunder:

6. Resolution of Disputes and Governing Law:

In the event of any unforeseen issues or matters not covered herein or any controversy, dispute or difference arising out of or in connection with this MoU, the same shall be resolved amicably by both the organizations. This MoU and further agreements will in all respect be governed by and construed in accordance with the laws of Republic of India. This MOU shall be signed in counterpart. Each counterpart will constitute an original document and these counterparts taken together, shall constitute one and the same MOU.

Memorandum of Understanding (MoU)

Between

Priyadarshini Institute of Technology and Management

And

Nimra College of Engineering and Technology

This Memorandum of Understanding ("MoU") is entered into on 15th November, 2023 by and between **Priyadarshini Institute of Technology and Management**, located at Pulladigunta, Guntur - 522017, Andhra Pradesh, herein after referred to as (1st Party) and **Nimra college of Engineering and Technology** located at Jupudi Village, Ibrahimpatnam (M), Vijayawada-521456, hereinafter referred to as "2nd Party."

Purpose:

The purpose of this MoU is to formalize the collaboration and cooperation between 1st Party and 2nd Party for the following purposes:

- Internship opportunities for students.
- Joint workshops, seminars, and training programs.
- Collaborative research and development projects.
- Any other relevant educational initiatives.

Scope of Collaboration:

The specific projects, initiatives, and areas of collaboration to be pursued under this MoU include:

- Both colleges agree to facilitate and support students' internships.
- Collaboration on planning, organizing, and conducting workshops and training programs.
- Jointly identifying, planning, and executing research and development projects.
- Exchange of resources, faculty, and expertise for the betterment of both institutions.

Committed for achieving Excellence in Technical Education

Diploma : PIIT

UG : PITM

PG : DBITI

Terms and Conditions:

- a. Both colleges will define the specific terms and conditions for each type of collaboration (internships, workshops, projects) in separate agreements.
- b. All activities shall be conducted in accordance with relevant laws and regulations.
- c. Both colleges will maintain open and transparent communication throughout the collaboration.

Duration:

This MoU shall be in effect for a period of 1 year, commencing on 15th November, 2023. It may be renewed upon mutual agreement of both parties.

Termination:

Either party may terminate this MoU with written notice to the other party if there is a breach of any terms and conditions outlined herein or for other valid reasons agreed upon by both parties.

Governing Law:

This MoU shall be governed by and construed in accordance with the laws of Government of Andhra Pradesh.

IN WITNESS WHEREOF, the parties hereto have executed this MoU as of the date first above written.

**A MEMORANDUM OF UNDERSTANDING ON “ACADEMIC
COLLABORATION”
BETWEEN
VIJAYA INSTITUTE OF TECHNOLOGY FOR WOMEN (VITW)
AND
NIMRA COLLEGE OF ENGINEERING AND TECHNOLOGIES**

This MOU is entered into on the day of 4th, JUNE 2021 between Vijaya Institute of Technology for Women Vijayawada Andhra Pradesh, India and Nimra College of Engineering and Technology, Nimra nagar, Jupudi, Vijayawada, AP, India, 521456.

1. Objectives:

- 1.1. To contribute further to the regional understanding between faculty and staff of VITW and NCET for enhancing skills of students/aspirants through internship and vocational training in order to enhance the quality of Technical and Engineering education in the Country.
- 1.2. To strengthen collaboration between VITW and NCET through academic programs in instruction, research and faculty development among the faculty and students of both parties.

2. Scope

The Scope of collaboration on academic and research activities in this Memorandum of Understanding includes the following categories:

1. Developing research projects jointly and avail funding
2. Exchange of academic information, materials and facilities
3. Students Exchange
4. Faculty and Staff Exchange
5. Research aid to Ph.D. scholars by both parties
6. Intellectual property rights of the collaboration work belonging to both parties
7. Organizing/participation in Joint symposia, seminars, conferences, workshops etc.
8. Developing articulations for twinning/joint programs and allowing students to undertake part of the programme/course of study at each organization; and

32 ✓

9. Promoting such other activities/programs as mutually agreed from time to time.

2.1 Developing research projects jointly and avail funding

Both the parties agree to undertake research projects/activities through sharing of research ideas, data and academic resources that can lead to joint publications, development of any product or other intended outcomes like Intellectual property rights/ patents/discoveries generated out of the research activities, belonging to both parties. Such collaboration activities will also include joint research conferences, visitations and sabbaticals at each other's premises; subject to mutual consent of both the parties. All such joint research activities will be governed by the terms and conditions lay down by separate written agreement by both organizations.

2.2 Exchange of academic information, materials and facilities

Both parties agree to exchange academic information, facilities, resources etc. as mutually agreed from time to time.

2.3 Students Exchange

Short Courses/ Summer School: These courses, usually two to four weeks in duration, will normally be held in spring or summer as mutually agreed. The programs will facilitate visits by students and faculty to learn about the industry environment and culture. In addition to various topics on industry operations and culture, the course would include meetings with industry executives, and visits to various industrial establishments. The cost and other terms of such programs will be mutually worked out separately each year.

2.4 Faculty and Staff Exchange

Both organizations agree to develop opportunities for faculty to teach courses, conduct seminars and undertake such other activities at each other's campus as mutually agreed. Visiting faculty will be provided with opportunities to observe and share teaching methods and curriculum. NCET and VITW will exchange faculty according to the terms and conditions as mutually agreed upon.

2.5 Organizing/ participation in Joint symposia, seminars, conferences, workshops etc.

Both organizations will promote their faculty and staff participation in the conferences, conclaves and seminars organized by each other to strengthen the ties between both the organizations and will also jointly organize symposia, seminars, conferences, workshops and other programs as mutually agreed.

3. Advertising & Publicity

Both the parties will publicly advertise the collaboration under this MoU among students, staff etc., if agreed by their management. Where reasonably possible, in making advertisements or public announcements in relation to this MoU, each organization shall acknowledge the participation of other organization and the contribution that other organization has made if any.

4. Commencement, renewal, termination and amendment

This MOU will come into force upon affixing of the signatures of the representatives of the both organizations and will remain in effect for one (1) year. This MOU will be renewed upon its expiry, as per mutual agreement of both organizations. If either organization wishes to terminate the MOU at the end of one year period or in between the period of one year, it must notify the other organization not less than one month prior to the expiry of the MOU. The event of termination will not affect participants from completing their activities at the host party already initiated or ongoing unless otherwise mutually agreed. This MoU, its renewal and the actions taken under it will be reviewed at any time. Modifications to MoU will be made by mutual consent and any amendment or extension to the MoU will be formalized by the exchange of letters and or emails between the two organizations.

5. Coordinators:

Each organization agrees to appoint an overall Coordinator for the administration of this MOU. The Coordinator will serve as the contact person on campus. These coordinators will ensure smooth flow of communication and would be responsible to ensure that necessary approvals are in place for student/faculty exchange, articulation agreement etc. These coordinators will be responsible to ensure the effectiveness and enforcement MOU. Both organizations are responsible for keeping their contact details up to date. Contact details and address of the designated coordinators are given hereunder:

6. Resolution of Disputes and Governing Law:

In the event of any unforeseen issues or matters not covered herein or any controversy, dispute or difference arising out of or in connection with this MoU, the same shall be resolved amicably by both the organizations. This MoU and further agreements will in all respect be governed by and construed in accordance with the laws of Republic of India. This MOU shall be signed in counterpart. Each counterpart will constitute an original document and these counterparts taken together, shall constitute one and the same MOU.

**A MEMORANDUM OF UNDERSTANDING ON “ACADEMIC
COLLABORATION”**

BETWEEN

**NRI INSTITUTE OF TECHNOLOGY
VIJAYAWADA, ANDHRA PRADESH**

AND

**NIMRA COLLEGE OF ENGINEERING & TECHNOLOGY
VIJAYAWADA, ANDHRA PRADESH**

This MOU is entered into on the day of 7th, **OCTOBER 2021** between NRI Institute of Technology (Autonomous) situated at Pothavarappadu, and Vijayawada (hereinafter called NRIIT and NIMRA COLLEGE OF ENGINEERING & TECHNOLOGY (hereinafter called NCET), an Engineering college affiliated to Jawaharlal Nehru Technological University, Kakinada. The aforesaid institutions are hereinafter referred to individually as institute and collectively as institutes. Sri Durga Malleswara Educational Society was established in 2007 with the objective of reaching the zenith in the field of education. NRI College of Pharmacy, started in 2007 and NRI Institute of Technology, started in 2008 are the result of such sincere and dedicated efforts and stern determination of the founders of the society. NRI Institute of Technology is an AICTE approved Institution affiliated to the JNTUK which functions as a private self-financing institution to cater to the needs of juvenile aspirants in and around Vijayawada. The promoters of NRIIT started the college with a vision to empower the students with vibrant technology, sensitively matured and innovative to face the challenges of real time global experiences. The founders are socially conscious and continuously responding to the needs and requirements of the region, to uplift the region and to promote educational facilities by establishing schools, to promote games and sports activities in the region, help the poor and improve their health standards by organizing free medical camps etc., Since the day of inception, NRIIT has been growing at a credible but steady pace for an educational institution of its kind. Both NRIIT and NRI College of Pharmacy have been taking a place of pride every year JNTUK results are announced. NRI College of Pharmacy

39

had recently added a feather to the crown of the Society by successfully placing its first outgoing batch of dynamic young pharmacists in various esteemed Organizations is an Autonomous Institution with good discipline as well as Result oriented with NAAC-A Grade, JNTU Kakinada -Permanent affiliation and ISO Certified Institution and NIMRA COLLEGE OF ENGINEERING& TECHNOLOGY. In the interest of establishing a relationship of mutual benefit to both organizations, NRInsitute of Technology, Vijayawada (NRIIT)and(NCET)have agreed to the areas of collaboration on academic and research related activities as mentioned in this MoU.

1. Objectives:

1.1. To contribute further to the regional understanding between faculty and staff of NRIIT and NCET for enhancing skills of students/aspirants through internship and vocational training in order to enhance the quality of Technical and Engineering education in the Country.

1.2. To strengthen collaboration between NRIIT and NCET through academic programs in instruction, research and faculty development among the faculty and students of both parties.

2. Scope

The Scope of collaboration on academic and research activities in this Memorandum of Understanding includes the following categories:

1. Developing research projects jointly and avail funding
2. Exchange of academic information, materials and facilities
3. Students Exchange
4. Faculty and Staff Exchange
5. Research aid to Ph.D. scholars by both parties
6. Intellectual property rights of the collaboration work belonging to both parties
7. Organizing/participation in Joint symposia, seminars, conferences, workshops etc.
8. Developing articulations for twinning/joint programs and allowing students to undertake part of the programme/course of study at each organization; and
9. Promoting such other activities/programs as mutually agreed from time to time.

2.1 Developing research projects jointly and avail funding

Both the parties agree to undertake research projects/activities through sharing of research ideas, data and academic resources that can lead to joint publications, development of any product or other intended outcomes like Intellectual property rights/ patents/discoveries generated out of the research activities, belonging to both parties. Such collaboration

40

activities will also include joint research conferences, visitations and sabbaticals at each other's premises; subject to mutual consent of both the parties. All such joint research activities will be governed by the terms and conditions lay down by separate written agreement by both organizations.

2.2 Exchange of academic information, materials and facilities

Both parties agree to exchange academic information, facilities, resources etc. as mutually agreed from time to time.

2.3 Students Exchange

Short Courses/ Summer School: These courses, usually two to four weeks in duration, will normally be held in spring or summer as mutually agreed. The programs will facilitate visits by students and faculty to learn about the industry environment and culture. In addition to various topics on industry operations and culture, the course would include meetings with industry executives, and visits to various industrial establishments. The cost and other terms of such programs will be mutually worked out separately each year.

2.4 Faculty and Staff Exchange

Both organizations agree to develop opportunities for faculty to teach courses, conduct seminars and undertake such other activities at each other's campus as mutually agreed. Visiting faculty will be provided with opportunities to observe and share teaching methods and curriculum. NRIIT and NCET will exchange faculty according to the terms and conditions as mutually agreed upon.

2.5 Organizing/ participation in Joint symposia, seminars, conferences, workshops etc.

Both organizations will promote their faculty and staff participation in the conferences, conclaves and seminars organized by each other to strengthen the ties between both the organizations and will also jointly organize symposia, seminars, conferences, workshops and other programs as mutually agreed.

3. Advertising & Publicity

Both the parties will publicly advertise the collaboration under this MoU among students, staff etc., if agreed by their management. Where reasonably possible, in making advertisements or public announcements in relation to this MoU, each organization shall acknowledge the participation of other organization and the contribution that other organization has made if any.

4. Commencement, renewal, termination and amendment

This MOU will come into force upon affixing of the signatures of the representatives of the both organizations and will remain in effect for one (1) year. This MOU will be renewed upon its expiry, as per mutual agreement of both organizations. If either organization wishes to terminate the MOU at the end of one year period or in between the period of one year, it must notify the other organization not less than one month prior to the expiry of the MOU. The event of termination will not affect participants from completing their activities at the host party already initiated or ongoing unless otherwise mutually agreed. This MoU, its renewal and the actions taken under it will be reviewed at any time. Modifications to MoU will be made by mutual consent and any amendment or extension to the MoU will be formalized by the exchange of letters and or emails between the two organizations.

5. Coordinators:

Each organization agrees to appoint an overall Coordinator for the administration of this MOU. The Coordinator will serve as the contact person on campus. These coordinators will ensure smooth flow of communication and would be responsible to ensure that necessary approvals are in place for student/faculty exchange, articulation agreement etc. These coordinators will be responsible to ensure the effectiveness and enforcement MOU. Both organizations are responsible for keeping their contact details up to date. Contact details and address of the designated coordinators are given hereunder:

6. Resolution of Disputes and Governing Law:

In the event of any unforeseen issues or matters not covered herein or any controversy, dispute or difference arising out of or in connection with this MoU, the same shall be resolved amicably by both the organizations. This MoU and further agreements will in all respect be governed by and construed in accordance with the laws of Republic of India. This MOU shall be signed in counterpart. Each counterpart will constitute an original document and these counterparts taken together, shall constitute one and the same MOU.

Memorandum of Understanding (MoU)

Between

Rajamahendri Institute of Engineering & Technology

And

Nimra College of Engineering and Technology

This Memorandum of Understanding ("MoU") is entered into on 07th October, 2020 by and between **Rajamahendri Institute of Engineering & Technology** located at Near Pidimgoyyi, Bhoopalapatnam, Rajamahendravam-533107, Andhra Pradesh herein after referred to as "1st Party," and **Nimra College of Engineering and Technology**, located at Jupudi Village, Ibrahimpatnam (M), Vijayawada-521456, herein after referred to as "2nd Party."

Purpose:

The purpose of this MoU is to formalize the collaboration and cooperation between 1st Party and 2nd Party for the following purposes:

- a. Internship opportunities for students.
- b. Joint workshops, seminars, and training programs.
- c. Collaborative research and development projects.
- d. Any other relevant educational initiatives.

Scope of Collaboration:

The specific projects, initiatives, and areas of collaboration to be pursued under this MoU include:

- a. Both colleges agree to facilitate and support students' internships.
- b. Collaboration on planning, organizing, and conducting workshops and training programs.
- c. Jointly identifying, planning, and executing research and development projects.
- d. Exchange of resources, faculty, and expertise for the betterment of both institutions.

Terms and Conditions:

- a. Both colleges will define the specific terms and conditions for each type of collaboration (internships, workshops, projects) in separate agreements.
- b. All activities shall be conducted in accordance with relevant laws and regulations.
- c. Both colleges will maintain open and transparent communication throughout the collaboration.

Duration:

This MoU shall be in effect for a period of 1 year, commencing on 07th October, 2020. It may be renewed upon mutual agreement of both parties.

8

Termination:

Either party may terminate this MoU with written notice to the other party if there is a breach of any terms and conditions outlined herein or for other valid reasons agreed upon by both parties.

Governing Law:

This MoU shall be governed by and construed in accordance with the laws of Government of Andhra Pradesh.

IN WITNESS WHEREOF, the parties hereto have executed this MoU as of the date first above written.

Krishna Dist, Andhra Pradesh, India

**A MEMORANDUM OF UNDERSTANDING ON “ACADEMIC
COLLABORATION”
BETWEEN
AMRITASAI INSTITUTE OF SCIENCE AND TECHNOLOGY

AND

NIMRA COLLEGE OF ENGINEERING AND TECHNOLOGY**

This MOU is entered into on the day of 16th November 2021 between Amrita Sai Institute of Science and Technology, Paritala, Andhra Pradesh, India and Nimra College of Engineering and Technology, Nimra Nagar, Jupudi Village, Ibrahimpatnam, Andhra Pradesh, India.

1. Objectives:

1.1. To contribute further to the regional understanding between faculty and staff of ASIST and NCET for enhancing skills of students/aspirants through internship and vocational training in order to enhance the quality of Technical and Engineering education in the Country.

1.2. To strengthen collaboration between ASIST and NCET through academic programs in instruction, research and faculty development among the faculty and students of both parties.

2. Scope:

The Scope of collaboration on academic and research activities in this Memorandum of Understanding includes the following categories:

1. Developing research projects jointly and avail funding
2. Exchange of academic information, materials and facilities
3. Students Exchange
4. Faculty and Staff Exchange
5. Research aid to Ph.D. scholars by both parties
6. Intellectual property rights of the collaboration work belonging to both parties
7. Organizing/participation in Joint symposia, seminars, conferences, workshops etc.
8. Developing articulations for twinning/joint programs and allowing students to undertake part of the programme/course of study at each organization; and
9. Promoting such other activities/programs as mutually agreed from time to time.

2.1 Developing research projects jointly and avail funding

Both the parties agree to undertake research projects/activities through sharing of research ideas, data and academic resources that can lead to joint publications, development of any product or other intended outcomes like Intellectual property rights/ patents/discoveries generated out of the research activities, belonging to both parties. Such collaboration activities will also include joint research conferences, visitations and sabbaticals at each other's premises; subject to mutual consent of both the parties. All such joint research activities will be governed by the terms and conditions lay down by separate written agreement by both organizations.

2.2 Exchange of academic information, materials and facilities

Both parties agree to exchange academic information, facilities, resources etc. as mutually agreed from time to time.

2.3 Students Exchange

Short Courses/ Summer School: These courses, usually two to four weeks in duration, will normally be held in spring or summer as mutually agreed. The programs will facilitate visits by students and faculty to learn about the industry environment and culture. In addition to various topics on industry operations and culture, the course would include meetings with industry executives, and visit various industrial establishments. The cost and other terms of such programs will be mutually worked out separately each year.

2.4 Faculty and Staff Exchange

Both organizations agree to develop opportunities for faculty to teach courses, conduct seminars and undertake such other activities at each other's campus as mutually agreed. Visiting faculty will be provided with opportunities to observe and share teaching methods and curriculum. ASIST and NCET will exchange faculty according to the terms and conditions as mutually agreed upon.

2.5 Organizing/ participation in Joint symposia, seminars, conferences, workshops etc.

Both organizations will promote their faculty and staff participation in the conferences, conclaves and seminars organized by each other to strengthen the ties between both the organizations and will also jointly organize symposia, seminars, conferences, workshops and other programs as mutually agreed.

3. Advertising & Publicity

Both the parties will publicly advertise the collaboration under this MoU among students, staff etc., if agreed by their management. Where reasonably possible, in making advertisements or public announcements in relation to this MoU, each organization shall

acknowledge the participation of other organization and the contribution that other organization has made if any.

4. Commencement, renewal, termination and amendment

This MOU will come into force upon affixing of the signatures of the representatives of the both organizations and will remain in effect for one (1) year. This MOU will be renewed upon its expiry, as per mutual agreement of both organizations. If either organization wishes to terminate the MOU at the end of one year period or in between the period of one year, it must notify the other organization not less than one month prior to the expiry of the MOU. The event of termination will not affect participants from completing their activities at the host party already initiated or ongoing unless otherwise mutually agreed. This MoU, its renewal and the actions taken under it will be reviewed at any time. Modifications to MoU will be made by mutual consent and any amendment or extension to the MoU will be formalized by the exchange of letters and or emails between the two organizations.

5. Coordinators:

Each organization agrees to appoint an overall Coordinator for the administration of this MOU. The Co-ordinator will serve as the contact person on campus. These coordinators will ensure smooth flow of communication and would be responsible to ensure that necessary approvals are in place for student/faculty exchange, articulation agreement etc. These coordinators will be responsible to ensure the effectiveness and enforcement MOU. Both organizations are responsible for keeping their contact details up to date. Contact details and address of the designated coordinators are given hereunder:

6. Resolution of Disputes and Governing Law:

In the event of any unforeseen issues or matters not covered herein or any controversy, dispute or difference arising out of or in connection with this MoU, the same shall be resolved amicably by both the organizations. This MoU and further agreements will in all respect be governed by and construed in accordance with the laws of Republic of India. This MOU shall be signed in counterpart. Each counterpart will constitute an original document and these counterparts taken together, shall constitute one and the same MOU.

Memorandum of Understanding (MoU)

Between

Nimra College of Engineering and Technology

And

Sree Vahini Institute of Science & Technology

This Memorandum of Understanding ("MoU") is entered into on 3rd Day of November, 2020 between **Nimra College of Engineering and Technology**, located at Jupudi Village, Ibrahimpatnam (M), Vijayawada-521456, herein after referred to as (I Party) and **Sree Vahini Institute of Science & Technology**, located at Sai Vahini Nagar, By-Pass Road, Tiruvuru-521235. A.P. (II Party)

Objectives of MoU:

The purpose of MoU is with reference to exploring the areas of co-operation, benefiting both the Institutions. The areas of co-operation are

- i. To explore the possibilities of mutual support in the field of learning, training etc.,
- ii. To establish meaningful linkages between the Institutions.
- iii. To achieve excellence in Technical Education through an attitude of outreach & Partnership.
- iv. Encourage faculty members to collaborate on research, teaching and professional development. This can lead to the exchange of expertise and the development of innovative teaching methods.

- v. Work together on community outreach and engagement projects, such as providing educational and vocational training programs to the local community. The objective is to fulfill the colleges' social responsibility.

Commercials:

This is a non-commercial agreement whereas neither party is required to make any payment to other party for fulfilling the above objectives. The present MoU is not legally binding on the parties.

Terms & Conditions:

This memorandum of Understanding will be operational and valid from 3.11.2020 and the initial tenure is one year. Upon completion of the tenure, the agreement can be renewed for another one year and so on with mutual consent of both parties. Under normal circumstance, either party wanting to terminate the agreement can do so and it can be done on a mutually agreed upon date in a justified way with a notification given at least one month prior to termination date.

**A MEMORANDUM OF UNDERSTANDING ON “ACADEMIC
COLLABORATION”
BETWEEN
VIJAYA INSTITUTE OF TECHNOLOGY FOR WOMEN (VITW)
AND
NIMRA COLLEGE OF ENGINEERING AND TECHNOLOGIES**

This MOU is entered into on the day of 3rd, JUNE 2020 between Vijaya Institute of Technology for Women Vijayawada Andhra Pradesh, India and Nimra College of Engineering and Technology, Nimra nagar, Jupudi, Vijayawada, AP, India, 521456.

1. Objectives:

1.1. To contribute further to the regional understanding between faculty and staff of VITW and NCET for enhancing skills of students/aspirants through internship and vocational training in order to enhance the quality of Technical and Engineering education in the Country.

1.2. To strengthen collaboration between VITW and NCET through academic programs in instruction, research and faculty development among the faculty and students of both parties.

2. Scope

The Scope of collaboration on academic and research activities in this Memorandum of Understanding includes the following categories:

1. Developing research projects jointly and avail funding
2. Exchange of academic information, materials and facilities
3. Students Exchange
4. Faculty and Staff Exchange
5. Research aid to Ph.D. scholars by both parties
6. Intellectual property rights of the collaboration work belonging to both parties
7. Organizing/participation in Joint symposia, seminars, conferences, workshops etc.
8. Developing articulations for twinning/joint programs and allowing students to undertake part of the programme/course of study at each organization; and
9. Promoting such other activities/programs as mutually agreed from time to time.

2.1 Developing research projects jointly and avail funding

Both the parties agree to undertake research projects/activities through sharing of research ideas, data and academic resources that can lead to joint publications, development of any product or other intended outcomes like Intellectual property rights/ patents/discoveries generated out of the research activities, belonging to both parties. Such collaboration activities will also include joint research conferences, visitations and sabbaticals at each other's premises; subject to mutual consent of both the parties. All such joint research activities will be governed by the terms and conditions lay down by separate written agreement by both organizations.

2.2 Exchange of academic information, materials and facilities

Both parties agree to exchange academic information, facilities, resources etc. as mutually agreed from time to time.

2.3 Students Exchange

Short Courses/ Summer School: These courses, usually two to four weeks in duration, will normally be held in spring or summer as mutually agreed. The programs will facilitate visits by students and faculty to learn about the industry environment and culture. In addition to various topics on industry operations and culture, the course would include meetings with industry executives, and visit various industrial establishments. The cost and other terms of such programs will be mutually worked out separately each year.

2.4 Faculty and Staff Exchange

Both organizations agree to develop opportunities for faculty to teach courses, conduct seminars and undertake such other activities at each other's campus as mutually agreed. Visiting faculty will be provided with opportunities to observe and share teaching methods and curriculum. ASIST and NCET will exchange faculty according to the terms and conditions as mutually agreed upon.

2.5 Organizing/ participation in Joint symposia, seminars, conferences, workshops etc.

Both organizations will promote their faculty and staff participation in the conferences, conclaves and seminars organized by each other to strengthen the ties between both the organizations and will also jointly organize symposia, seminars, conferences, workshops and other programs as mutually agreed.

3. Advertising & Publicity

Both the parties will publicly advertise the collaboration under this MoU among students, staff etc., if agreed by their management. Where reasonably possible, in making advertisements or public announcements in relation to this MoU, each organization shall

acknowledge the participation of other organization and the contribution that other organization has made if any.

4. Commencement, renewal, termination and amendment

This MOU will come into force upon affixing of the signatures of the representatives of the both organizations and will remain in effect for one (1) year. This MOU will be renewed upon its expiry, as per mutual agreement of both organizations. If either organization wishes to terminate the MOU at the end of one year period or in between the period of one year, it must notify the other organization not less than one month prior to the expiry of the MOU. The event of termination will not affect participants from completing their activities at the host party already initiated or ongoing unless otherwise mutually agreed. This MoU, its renewal and the actions taken under it will be reviewed at any time. Modifications to MoU will be made by mutual consent and any amendment or extension to the MoU will be formalized by the exchange of letters and or emails between the two organizations.

5. Coordinators:

Each organization agrees to appoint an overall Coordinator for the administration of this MOU. The Co-ordinator will serve as the contact person on campus. These coordinators will ensure smooth flow of communication and would be responsible to ensure that necessary approvals are in place for student/faculty exchange, articulation agreement etc. These coordinators will be responsible to ensure the effectiveness and enforcement MOU. Both organizations are responsible for keeping their contact details up to date. Contact details and address of the designated coordinators are given hereunder:

6. Resolution of Disputes and Governing Law:

In the event of any unforeseen issues or matters not covered herein or any controversy, dispute or difference arising out of or in connection with this MoU, the same shall be resolved amicably by both the organizations. This MoU and further agreements will in all respect be governed by and construed in accordance with the laws of Republic of India. This MOU shall be signed in counterpart. Each counterpart will constitute an original document and these counterparts taken together, shall constitute one and the same MOU.

2.1 Developing research projects jointly and avail funding

Both the parties agree to undertake research projects/activities through sharing of research ideas, data and academic resources that can lead to joint publications, development of any product or other intended outcomes like Intellectual property rights/ patents/discoveries generated out of the research activities, belonging to both parties. Such collaboration activities will also include joint research conferences, visitations and sabbaticals at each other's premises; subject to mutual consent of both the parties. All such joint research activities will be governed by the terms and conditions lay down by separate written agreement by both organizations.

2.2 Exchange of academic information, materials and facilities

Both parties agree to exchange academic information, facilities, resources etc. as mutually agreed from time to time.

2.3 Students Exchange

Short Courses/ Summer School: These courses, usually two to four weeks in duration, will normally be held in spring or summer as mutually agreed. The programs will facilitate visits by students and faculty to learn about the industry environment and culture. In addition to various topics on industry operations and culture, the course would include meetings with industry executives, and visits to various industrial establishments. The cost and other terms of such programs will be mutually worked out separately each year.

2.4 Faculty and Staff Exchange

Both organizations agree to develop opportunities for faculty to teach courses, conduct seminars and undertake such other activities at each other's campus as mutually agreed. Visiting faculty will be provided with opportunities to observe and share teaching methods and curriculum. NCET and VITW will exchange faculty according to the terms and conditions as mutually agreed upon.

2.5 Organizing/ participation in Joint symposia, seminars, conferences, workshops etc.

Both organizations will promote their faculty and staff participation in the conferences, conclaves and seminars organized by each other to strengthen the ties between both the organizations and will also jointly organize symposia, seminars, conferences, workshops and other programs as mutually agreed.

3. Advertising & Publicity

Both the parties will publicly advertise the collaboration under this MoU among students, staff etc., if agreed by their management. Where reasonably possible, in making advertisements or public announcements in relation to this MoU, each organization shall

acknowledge the participation of other organization and the contribution that other organization has made if any.

4. Commencement, renewal, termination and amendment

This MOU will come into force upon affixing of the signatures of the representatives of the both organizations and will remain in effect for one (1) year. This MOU will be renewed upon its expiry, as per mutual agreement of both organizations. If either organization wishes to terminate the MOU at the end of one year period or in between the period of one year, it must notify the other organization not less than one month prior to the expiry of the MOU. The event of termination will not affect participants from completing their activities at the host party already initiated or ongoing unless otherwise mutually agreed. This MoU, its renewal and the actions taken under it will be reviewed at any time. Modifications to MoU will be made by mutual consent and any amendment or extension to the MoU will be formalized by the exchange of letters and or emails between the two organizations.

5. Coordinators:

Each organization agrees to appoint an overall Coordinator for the administration of this MOU. The Coordinator will serve as the contact person on campus. Memorandum of Understanding (MoU)

Dr.Lankapalli Bullayya College of Engineering

And

Nimra College of Engineering and Technology

This Memorandum of Understanding ("MoU") is entered into on 15th October, 2020 by and between **Dr.LankapalliBullayya College of Engineering** located at Resapuvanipalem, DwarakaNagar, Vishakhapatnam, Andhra Pradesh 530013 here in after referred to as "College 1," and **Nimra College of Engineering and Technology**, located at Jupudi Village, Ibrahimpatnam (M), Vijayawada-521456, here in after referred to as "College 2."

Purpose:

The purpose of this MoU is to formalize the collaboration and cooperation between College 1 and College 2 for the following purposes:

- Internship opportunities for students.
- Joint workshops, seminars, and training programs.
- Collaborative research and development projects.
- Any other relevant educational initiatives.

Scope of Collaboration:

- Both colleges agree to facilitate and support students' internships.
- Collaboration on planning, organizing, and conducting workshops and training programs.
- Jointly identifying, planning, and executing research and development projects.
- Exchange of resources, faculty, and expertise for the betterment of both institutions.

Terms and Conditions:

- Both colleges will define the specific terms and conditions for each type of collaboration (internships, workshops, projects) in separate agreements.
- All activities shall be conducted in accordance with relevant laws and regulations.
- Both colleges will maintain open and transparent communication throughout the collaboration

Duration:

This MoU shall be in effect for a period of 1 year, commencing on 15th October, 2020. It may be renewed upon mutual agreement of both parties.

Termination:

Either party may terminate this MoU with written notice to the other party if there is a breach of any terms and conditions outlined herein or for other valid reasons agreed upon by both parties.

Governing Law:

This MoU shall be governed by and construed in accordance with the laws of Government of Andhrapradesh.

IN WITNESS WHEREOF, the parties hereto have executed this MoU as of the date first above written.

**A MEMORANDUM OF UNDERSTANDING ON “ACADEMIC
COLLABORATION”**

BETWEEN

**NRI INSTITUTE OF TECHNOLOGY
VIJAYAWADA, ANDHRA PRADESH**

AND

**NIMRA COLLEGE OF ENGINEERING & TECHNOLOGY
VIJAYAWADA, ANDHRA PRADESH**

This MoU is entered into on the day of 7th, **OCTOBER 2020** between NRI Institute of Technology (Autonomous) situated at Pothavarappadu, and Vijayawada (hereinafter called NRIIT and NIMRA COLLEGE OF ENGINEERING & TECHNOLOGY (hereinafter called NCET), an Engineering college affiliated to Jawaharlal Nehru Technological University, Kakinada. The aforesaid institutions are hereinafter referred to individually as institute and collectively as institutes. Sri Durga Malleswara Educational Society was established in 2007 with the objective of reaching the zenith in the field of education. NRI College of Pharmacy, started in 2007 and NRI Institute of Technology, started in 2008 are the result of such sincere and dedicated efforts and stern determination of the founders of the society. NRI Institute of Technology is an AICTE approved Institution affiliated to the JNTUK which functions as a private self-financing institution to cater to the needs of juvenile aspirants in and around Vijayawada. The promoters of NRIIT started the college with a vision to empower the students with vibrant technology, sensitively matured and innovative to face the challenges of real time global experiences. The founders are socially conscious and continuously responding to the needs and requirements of the region, to uplift the region and to promote educational facilities by establishing schools, to promote games and sports activities in the region, help the poor and improve their health standards by organizing free medical camps etc., Since the day of inception, NRIIT has been growing at a credible but steady pace for an educational institution of its kind. Both NRIIT and NRI College of Pharmacy have been taking a place of pride every year JNTUK results are announced. NRI College of Pharmacy

had recently added a feather to the crown of the Society by successfully placing its first outgoing batch of dynamic young pharmacists in various esteemed Organizations is an Autonomous Institution with good discipline as well as Result oriented with NAAC-A Grade, JNTU Kakinada -Permanent affiliation and ISO Certified Institution and NIMRA COLLEGE OF ENGINEERING& TECHNOLOGY. In the interest of establishing a relationship of mutual benefit to both organizations, NRInstitute of Technology, Vijayawada (NRIIT)and(NCET)have agreed to the areas of collaboration on academic and research related activities as mentioned in this MoU.

1. Objectives:

1.1. To contribute further to the regional understanding between faculty and staff of NRIIT and NCETfor enhancing skills of students/aspirants through internship and vocational training in order to enhance the quality of Technical and Engineering education in the Country.

1.2. To strengthen collaboration between NRIIT and NCETthrough academic programs in instruction, research and faculty development among the faculty and students of both parties.

2. Scope

The Scope of collaboration on academic and research activities in this Memorandum of Understanding includes the following categories:

1. Developing research projects jointly and avail funding
2. Exchange of academic information, materials and facilities
3. Students Exchange
4. Faculty and Staff Exchange
5. Research aid to Ph.D. scholars by both parties
6. Intellectual property rights of the collaboration work belonging to both parties
7. Organizing/participation in Joint symposia, seminars, conferences, workshops etc.
8. Developing articulations for twinning/joint programs and allowing students to undertake part of the programme/course of study at each organization; and
9. Promoting such other activities/programs as mutually agreed from time to time.

2.1 Developing research projects jointly and avail funding

Both the parties agree to undertake research projects/activities through sharing of research ideas, data and academic resources that can lead to joint publications, development of any product or other intended outcomes like Intellectual property rights/ patents/discoveries generated out of the research activities, belonging to both parties. Such collaboration

activities will also include joint research conferences, visitations and sabbaticals at each other's premises; subject to mutual consent of both the parties. All such joint research activities will be governed by the terms and conditions lay down by separate written agreement by both organizations.

2.2 Exchange of academic information, materials and facilities

Both parties agree to exchange academic information, facilities, resources etc. as mutually agreed from time to time.

2.3 Students Exchange

Short Courses/ Summer School: These courses, usually two to four weeks in duration, will normally be held in spring or summer as mutually agreed. The programs will facilitate visits by students and faculty to learn about the industry environment and culture. In addition to various topics on industry operations and culture, the course would include meetings with industry executives, and visits to various industrial establishments. The cost and other terms of such programs will be mutually worked out separately each year.

2.4 Faculty and Staff Exchange

Both organizations agree to develop opportunities for faculty to teach courses, conduct seminars and undertake such other activities at each other's campus as mutually agreed. Visiting faculty will be provided with opportunities to observe and share teaching methods and curriculum. NRIIT and NCET will exchange faculty according to the terms and conditions as mutually agreed upon.

2.5 Organizing/ participation in Joint symposia, seminars, conferences, workshops etc.

Both organizations will promote their faculty and staff participation in the conferences, conclaves and seminars organized by each other to strengthen the ties between both the organizations and will also jointly organize symposia, seminars, conferences, workshops and other programs as mutually agreed.

3. Advertising & Publicity

Both the parties will publicly advertise the collaboration under this MoU among students, staff etc., if agreed by their management. Where reasonably possible, in making advertisements or public announcements in relation to this MoU, each organization shall acknowledge the participation of other organization and the contribution that other organization has made if any.

4. Commencement, renewal, termination and amendment

This MOU will come into force upon affixing of the signatures of the representatives of the both organizations and will remain in effect for one (1) year. This MOU will be renewed upon its expiry, as per mutual agreement of both organizations. If either organization wishes to terminate the MOU at the end of one year period or in between the period of one year, it must notify the other organization not less than one month prior to the expiry of the MOU. The event of termination will not affect participants from completing their activities at the host party already initiated or ongoing unless otherwise mutually agreed. This MoU, its renewal and the actions taken under it will be reviewed at any time. Modifications to MoU will be made by mutual consent and any amendment or extension to the MoU will be formalized by the exchange of letters and or emails between the two organizations.

5. Coordinators:

Each organization agrees to appoint an overall Coordinator for the administration of this MOU. The Coordinator will serve as the contact person on campus. These coordinators will ensure smooth flow of communication and would be responsible to ensure that necessary approvals are in place for student/faculty exchange, articulation agreement etc. These coordinators will be responsible to ensure the effectiveness and enforcement MOU. Both organizations are responsible for keeping their contact details up to date. Contact details and address of the designated coordinators are given hereunder:

6. Resolution of Disputes and Governing Law:

In the event of any unforeseen issues or matters not covered herein or any controversy, dispute or difference arising out of or in connection with this MoU, the same shall be resolved amicably by both the organizations. This MoU and further agreements will in all respect be governed by and construed in accordance with the laws of Republic of India. This MOU shall be signed in counterpart. Each counterpart will constitute an original document and these counterparts taken together, shall constitute one and the same MOU.

Nimra College of Engineering and Technology

This Memorandum of Understanding ("MoU") is entered into on 20th August, 2019 by and between **Sasi Institute of Engineering and Technology**, located at Tadepalligudem-534101, West Godavari District, Andhra Pradesh, hereinafter referred to as (1st Party) and **Nimra College of Engineering and Technology**, located at Jupudi Village, Ibrahimpatnam (M), Vijayawada-521456, herein after referred to as (2nd Party).

Purpose:

The purpose of this MoU is to formalize the collaboration and cooperation between 1st Party and 2nd Party for the following purposes:

- a. Internship opportunities for students.
- b. Joint workshops, seminars, and training programs.
- c. Collaborative research and development projects.
- d. Any other relevant educational initiatives.

Scope of Collaboration:

The specific projects, initiatives, and areas of collaboration to be pursued under this MoU include:

- a. Both colleges agree to facilitate and support students' internships.
- b. Collaboration on planning, organizing, and conducting workshops and training programs.
- c. Jointly identifying, planning, and executing research and development projects.
- d. Exchange of resources, faculty, and expertise for the betterment of both institutions.

Terms and Conditions:

- a. Both colleges will define the specific terms and conditions for each type of collaboration (internships, workshops, projects) in separate agreements.
- b. All activities shall be conducted in accordance with relevant laws and regulations.
- c. Both colleges will maintain open and transparent communication throughout the collaboration.

Duration:

5

This MoU shall be in effect for a period of 1 year, commencing on 20th August, 2019. It may be renewed upon mutual agreement of both parties.

Termination:

Either party may terminate this MoU with written notice to the other party if there is a breach of any terms and conditions outlined herein or for other valid reasons agreed upon by both parties.

Governing Law:

This MoU shall be governed by and construed in accordance with the laws of Government of Andhra Pradesh.

IN WITNESS WHEREOF, the parties hereto have executed this MoU as of the date first above written.

MEMORANDUM OF UNDERSTANDING

BETWEEN

VIJAYA INSTITUTE OF TECHNOLOGY FOR WOMEN (VITW)
Enikepadu, Vijayawada-521108, Krishna District, Andhra Pradesh, India

AND

NIMRA COLLEGE OF ENGINEERING AND TECHNOLOGIES

Nimra Nagar , Jupudi(V), Vijayawada , Ibrahimpatnam-521456
Krishna District, Andhra Pradesh, India

**A MEMORANDUM OF UNDERSTANDING ON “ACADEMIC
COLLABORATION”
BETWEEN
VIJAYA INSTITUTE OF TECHNOLOGY FOR WOMEN (VITW)
AND
NIMRA COLLEGE OF ENGINEERING AND TECHNOLOGIES**

This MOU is entered into on the day of 19th, JUNE 2019 between Vijaya Institute of Technology for Women Vijayawada Andhra Pradesh, India and Nimra College of Engineering and Technology, Nimra nagar, Jupudi, Vijayawada, AP, India, 521456.

1. Objectives:

- 1.1. To contribute further to the regional understanding between faculty and staff of VITW and NCET for enhancing skills of students/aspirants through internship and vocational training in order to enhance the quality of Technical and Engineering education in the Country.
- 1.2. To strengthen collaboration between VITW and NCET through academic programs in instruction, research and faculty development among the faculty and students of both parties.

2. Scope

The Scope of collaboration on academic and research activities in this Memorandum of Understanding includes the following categories:

1. Developing research projects jointly and avail funding
2. Exchange of academic information, materials and facilities
3. Students Exchange
4. Faculty and Staff Exchange
5. Research aid to Ph.D. scholars by both parties
6. Intellectual property rights of the collaboration work belonging to both parties
7. Organizing/participation in Joint symposia, seminars, conferences, workshops etc.
8. Developing articulations for twinning/joint programs and allowing students to undertake part of the programme/course of study at each organization; and
9. Promoting such other activities/programs as mutually agreed from time to time.

2.1 Developing research projects jointly and avail funding

Both the parties agree to undertake research projects/activities through sharing of research ideas, data and academic resources that can lead to joint publications, development of any product or other intended outcomes like Intellectual property rights/ patents/discoveries generated out of the research activities, belonging to both parties. Such collaboration activities will also include joint research conferences, visitations and sabbaticals at each other's premises; subject to mutual consent of both the parties. All such joint research activities will be governed by the terms and conditions lay down by separate written agreement by both organizations.

2.2 Exchange of academic information, materials and facilities

Both parties agree to exchange academic information, facilities, resources etc. as mutually agreed from time to time.

2.3 Students Exchange

Short Courses/ Summer School: These courses, usually two to four weeks in duration, will normally be held in spring or summer as mutually agreed. The programs will facilitate visits by students and faculty to learn about the industry environment and culture. In addition to various topics on industry operations and culture, the course would include meetings with industry executives, and visits to various industrial establishments. The cost and other terms of such programs will be mutually worked out separately each year.

2.4 Faculty and Staff Exchange

Both organizations agree to develop opportunities for faculty to teach courses, conduct seminars and undertake such other activities at each other's campus as mutually agreed. Visiting faculty will be provided with opportunities to observe and share teaching methods and curriculum. NCET and VITW will exchange faculty according to the terms and conditions as mutually agreed upon.

2.5 Organizing/ participation in Joint symposia, seminars, conferences, workshops etc.

Both organizations will promote their faculty and staff participation in the conferences, conclaves and seminars organized by each other to strengthen the ties between both the organizations and will also jointly organize symposia, seminars, conferences, workshops and other programs as mutually agreed.

3. Advertising & Publicity

Both the parties will publicly advertise the collaboration under this MoU among students, staff etc., if agreed by their management. Where reasonably possible, in making advertisements or public announcements in relation to this MoU, each organization shall

acknowledge the participation of other organization and the contribution that other organization has made if any.

4. Commencement, renewal, termination and amendment

This MOU will come into force upon affixing of the signatures of the representatives of the both organizations and will remain in effect for one (1) year. This MOU will be renewed upon its expiry, as per mutual agreement of both organizations. If either organization wishes to terminate the MOU at the end of one year period or in between the period of one year, it must notify the other organization not less than one month prior to the expiry of the MOU. The event of termination will not affect participants from completing their activities at the host party already initiated or ongoing unless otherwise mutually agreed. This MoU, its renewal and the actions taken under it will be reviewed at any time. Modifications to MoU will be made by mutual consent and any amendment or extension to the MoU will be formalized by the exchange of letters and or emails between the two organizations.

5. Coordinators:

Each organization agrees to appoint an overall Coordinator for the administration of this MOU. The Coordinator will serve as the contact person on campus. These coordinators will ensure smooth flow of communication and would be responsible to ensure that necessary approvals are in place for student/faculty exchange, articulation agreement etc. These coordinators will be responsible to ensure the effectiveness and enforcement MOU. Both organizations are responsible for keeping their contact details up to date. Contact details and address of the designated coordinators are given hereunder:

6. Resolution of Disputes and Governing Law:

In the event of any unforeseen issues or matters not covered herein or any controversy, dispute or difference arising out of or in connection with this MoU, the same shall be resolved amicably by both the organizations. This MoU and further agreements will in all respect be governed by and construed in accordance with the laws of Republic of India. This MOU shall be signed in counterpart. Each counterpart will constitute an original document and these counterparts taken together, shall constitute one and the same MOU.

**A MEMORANDUM OF UNDERSTANDING ON “ACADEMIC
COLLABORATION”**

BETWEEN

**NRI INSTITUTE OF TECHNOLOGY
VIJAYAWADA, ANDHRA PRADESH**

AND

**NIMRA COLLEGE OF ENGINEERING & TECHNOLOGY
VIJAYAWADA, ANDHRA PRADESH**

This MOU is entered into on the day of 20th, AUGUST 2019 between NRI Institute of Technology (Autonomous) situated at Pothavarappadu, and Vijayawada (hereinafter called NRIIT and NIMRA COLLEGE OF ENGINEERING & TECHNOLOGY (hereinafter called NCET), an Engineering college affiliated to Jawaharlal Nehru Technological University, Kakinada. The aforesaid institutions are hereinafter referred to individually as institute and collectively as institutes. Sri Durga Malleswara Educational Society was established in 2007 with the objective of reaching the zenith in the field of education. NRI College of Pharmacy, started in 2007 and NRI Institute of Technology, started in 2008 are the result of such sincere and dedicated efforts and stern determination of the founders of the society. NRI Institute of Technology is an AICTE approved Institution affiliated to the JNTUK which functions as a private self-financing institution to cater to the needs of juvenile aspirants in and around Vijayawada. The promoters of NRIIT started the college with a vision to empower the students with vibrant technology, sensitively matured and innovative to face the challenges of real time global experiences. The founders are socially conscious and continuously responding to the needs and requirements of the region, to uplift the region and to promote educational facilities by establishing schools, to promote games and sports activities in the region, help the poor and improve their health standards by organizing free medical camps etc., Since the day of inception, NRIIT has been growing at a credible but steady pace for an educational institution of its kind. Both NRIIT and NRI College of Pharmacy have been taking a place of pride every year JNTUK results are announced. NRI College of Pharmacy

44

had recently added a feather to the crown of the Society by successfully placing its first outgoing batch of dynamic young pharmacists in various esteemed Organizations is an Autonomous Institution with good discipline as well as Result oriented with NAAC-A Grade, JNTU Kakinada -Permanent affiliation and ISO Certified Institution and NIMRA COLLEGE OF ENGINEERING& TECHNOLOGY. In the interest of establishing a relationship of mutual benefit to both organizations, NRInsitute of Technology, Vijayawada (NRIIT)and(NCET)have agreed to the areas of collaboration on academic and research related activities as mentioned in this MoU.

1. Objectives:

1.1. To contribute further to the regional understanding between faculty and staff of NRIIT and NCETfor enhancing skills of students/aspirants through internship and vocational training in order to enhance the quality of Technical and Engineering education in the Country.

1.2. To strengthen collaboration between NRIIT and NCETthrough academic programs in instruction, research and faculty development among the faculty and students of both parties.

2. Scope

The Scope of collaboration on academic and research activities in this Memorandum of Understanding includes the following categories:

1. Developing research projects jointly and avail funding
2. Exchange of academic information, materials and facilities
3. Students Exchange
4. Faculty and Staff Exchange
5. Research aid to Ph.D. scholars by both parties
6. Intellectual property rights of the collaboration work belonging to both parties
7. Organizing/participation in Joint symposia, seminars, conferences, workshops etc.
8. Developing articulations for twinning/joint programs and allowing students to undertake part of the programme/course of study at each organization; and
9. Promoting such other activities/programs as mutually agreed from time to time.

2.1 Developing research projects jointly and avail funding

Both the parties agree to undertake research projects/activities through sharing of research ideas, data and academic resources that can lead to joint publications, development of any product or other intended outcomes like Intellectual property rights/ patents/discoveries generated out of the research activities, belonging to both parties. Such collaboration

activities will also include joint research conferences, visitations and sabbaticals at each other's premises; subject to mutual consent of both the parties. All such joint research activities will be governed by the terms and conditions lay down by separate written agreement by both organizations.

2.2 Exchange of academic information, materials and facilities

Both parties agree to exchange academic information, facilities, resources etc. as mutually agreed from time to time.

2.3 Students Exchange

Short Courses/ Summer School: These courses, usually two to four weeks in duration, will normally be held in spring or summer as mutually agreed. The programs will facilitate visits by students and faculty to learn about the industry environment and culture. In addition to various topics on industry operations and culture, the course would include meetings with industry executives, and visits to various industrial establishments. Memorandum of Understanding (MoU)

Between

Gonna Institute of Information Technology and Sciences

And

Nimra College of Engineering and Technology

This Memorandum of Understanding ("MoU") is entered into on 20th August, 2018 between **Gonna Institute of Information Technology and Sciences** located at Aganampudi, Gonnavanipalem, Ajangiri, Andhrapradesh-530053, herein after referred to as "1st Party", and **Nimra College of Engineering and Technology**, located at Jupudi Village, Ibrahimpatnam (M), Vijayawada-521456, hereinafter referred to as "2nd Party"

Purpose:

The purpose of this MoU is to formalize the collaboration and cooperation between 1st Party and 2nd Party for the following purposes:

- Internship opportunities for students.
- Joint workshops, seminars, and training programs.
- Collaborative research and development projects.
- Any other relevant educational initiatives.

Scope of Collaboration:

The specific projects, initiatives, and areas of collaboration to be pursued under this MoU include:

- Both colleges agree to facilitate and support students' internships.
- Collaboration on planning, organizing, and conducting workshops and training programs.
- Jointly identifying, planning, and executing research and development projects.
- Exchange of resources, faculty, and expertise for the betterment of both institutions.

Terms and Conditions:

- Both colleges will define the specific terms and conditions for each type of collaboration (internships, workshops, projects) in separate agreements.
- All activities shall be conducted in accordance with relevant laws and regulations.
- Both colleges will maintain open and transparent communication throughout the collaboration.

MEMORANDUM OF UNDERSTANDING

Memorandum of Understanding (MoU)

Between

Sasi Institute of Engineering & Technology

And

Nimra College of Engineering and Technology

This Memorandum of Understanding ("MoU") is entered into on 24th August, 2018 by and between **Sasi Institute of Engineering and Technology**, located at Tadepalligudem-534101, West Godavari District. Andhra Pradesh, hereinafter referred to as (1st Party) and **Nimra College of Engineering and Technology**, located at Jupudi Village, Ibrahimpatnam (M), Vijayawada-521456, herein after referred to as(2nd Party).

Purpose:

The purpose of this MoU is to formalize the collaboration and cooperation between Sasi and Nimra college for the following purposes:

- a. Internship opportunities for students.
- b. Joint workshops, seminars, and training programs.
- c. Collaborative research and development projects.
- d. Any other relevant educational initiatives.

Scope of Collaboration:

The specific projects, initiatives, and areas of collaboration to be pursued under this MoU include:

- a. Both colleges agree to facilitate and support students' internships.
- b. Collaboration on planning, organizing, and conducting workshops and training programs.
- c. Jointly identifying, planning, and executing research and development projects.
- d. Exchange of resources, faculty, and expertise for the betterment of both institutions.

Terms and Conditions:

- a. All activities shall be conducted in accordance with relevant laws and regulations.
- b. Both colleges will maintain open and transparent communication throughout the collaboration.

Duration:

This MoU shall be in effect for a period of 1 year, commencing on 20th August, 2018. It may be renewed upon mutual agreement of both parties.

Termination:

Either party may terminate this MoU with written notice to the other party if there is a breach of any terms and conditions outlined herein or for other valid reasons agreed upon by both parties.

Governing Law:

This MoU shall be governed by and construed in accordance with the laws of Government of Andhra Pradesh.

**A MEMORANDUM OF UNDERSTANDING ON “ACADEMIC
COLLABORATION”
BETWEEN
VIJAYA INSTITUTE OF TECHNOLOGY FOR WOMEN (VITW)
AND
NIMRA COLLEGE OF ENGINEERING AND TECHNOLOGIES**

This MOU is entered into on the day of 9th, JUNE 2018 between Vijaya Institute of Technology for Women Vijayawada Andhra Pradesh, India and Nimra College of Engineering and Technology, Nimra nagar, Jupudi, Vijayawada, AP, India, 521456.

1. Objectives:

1.1. To contribute further to the regional understanding between faculty and staff of VITW and NCET for enhancing skills of students/aspirants through internship and vocational training in order to enhance the quality of Technical and Engineering education in the Country.

1.2. To strengthen collaboration between VITW and NCET through academic programs in instruction, research and faculty development among the faculty and students of both parties.

2. Scope

The Scope of collaboration on academic and research activities in this Memorandum of Understanding includes the following categories:

1. Developing research projects jointly and avail funding
2. Exchange of academic information, materials and facilities
3. Students Exchange
4. Faculty and Staff Exchange
5. Research aid to Ph.D. scholars by both parties
6. Intellectual property rights of the collaboration work belonging to both parties
7. Organizing/participation in Joint symposia, seminars, conferences, workshops etc.
8. Developing articulations for twinning/joint programs and allowing students to undertake part of the programme/course of study at each organization; and
9. Promoting such other activities/programs as mutually agreed from time to time.

2.1 Developing research projects jointly and avail funding

Both the parties agree to undertake research projects/activities through sharing of research ideas, data and academic resources that can lead to joint publications, development of any product or other intended outcomes like Intellectual property rights/ patents/discoveries generated out of the research activities, belonging to both parties. Such collaboration activities will also include joint research conferences, visitations and sabbaticals at each other's premises; subject to mutual consent of both the parties. All such joint research activities will be governed by the terms and conditions lay down by separate written agreement by both organizations.

2.2 Exchange of academic information, materials and facilities

Both parties agree to exchange academic information, facilities, resources etc. as mutually agreed from time to time.

2.3 Students Exchange

Short Courses/ Summer School: These courses, usually two to four weeks in duration, will normally be held in spring or summer as mutually agreed. The programs will facilitate visits by students and faculty to learn about the industry environment and culture. In addition to various topics on industry operations and culture, the course would include meetings with industry executives, and visits to various industrial establishments. The cost and other terms of such programs will be mutually worked out separately each year.

2.4 Faculty and Staff Exchange

Both organizations agree to develop opportunities for faculty to teach courses, conduct seminars and undertake such other activities at each other's campus as mutually agreed. Visiting faculty will be provided with opportunities to observe and share teaching methods and curriculum. NCET and VITW will exchange faculty according to the terms and conditions as mutually agreed upon.

2.5 Organizing/ participation in Joint symposia, seminars, conferences, workshops etc.

Both organizations will promote their faculty and staff participation in the conferences, conclaves and seminars organized by each other to strengthen the ties between both the organizations and will also jointly organize symposia, seminars, conferences, workshops and other programs as mutually agreed.

3. Advertising & Publicity

Both the parties will publicly advertise the collaboration under this MoU among students, staff etc., if agreed by their management. Where reasonably possible, in making advertisements or public announcements in relation to this MoU, each organization shall

acknowledge the participation of other organization and the contribution that other organization has made if any.

4. Commencement, renewal, termination and amendment

This MOU will come into force upon affixing of the signatures of the representatives of the both organizations and will remain in effect for one (1) year. This MOU will be renewed upon its expiry, as per mutual agreement of both organizations. If either organization wishes to terminate the MOU at the end of one year period or in between the period of one year, it must notify the other organization not less than one month prior to the expiry of the MOU. The event of termination will not affect participants from completing their activities at the host party already initiated or ongoing unless otherwise mutually agreed. This MoU, its renewal and the actions taken under it will be reviewed at any time. Modifications to MoU will be made by mutual consent and any amendment or extension to the MoU will be formalized by the exchange of letters and or emails between the two organizations.

5. Coordinators:

Each organization agrees to appoint an overall Coordinator for the administration of this MOU. The Coordinator will serve as the contact person on campus. These coordinators will ensure smooth flow of communication and would be responsible to ensure that necessary approvals are in place for student/faculty exchange, articulation agreement etc. These coordinators will be responsible to ensure the effectiveness and enforcement MOU. Both organizations are responsible for keeping their contact details up to date. Contact details and address of the designated coordinators are given hereunder:

6. Resolution of Disputes and Governing Law:

In the event of any unforeseen issues or matters not covered herein or any controversy, dispute or difference arising out of or in connection with this MoU, the same shall be resolved amicably by both the organizations. This MoU and further agreements will in all respect be governed by and construed in accordance with the laws of Republic of India. This MOU shall be signed in counterpart. Each counterpart will constitute an original document and these counterparts taken together, shall constitute one and the same MOU.

MEMORANDUM OF UNDERSTANDING

BETWEEN

NRI INSTITUTE OF TECHNOLOGY

Pothavarappadu (V)
 (Via) Nunna, Agiripalli (M)
 Vijayawada (Rural)
 Eluru District, Andhra Pradesh, India.

AND

NIMRA COLLEGE OF ENGINEERING & TECHNOLOGY

NIMRA NAGAR, JUPUDI (V),
 IBRAHIMPATNAM (M), VIJAYAWADA
 ANDHRA PRADESH

**A MEMORANDUM OF UNDERSTANDING ON “ACADEMIC
COLLABORATION”**

BETWEEN

**NRI INSTITUTE OF TECHNOLOGY
VIJAYAWADA, ANDHRA PRADESH**

AND

**NIMRA COLLEGE OF ENGINEERING & TECHNOLOGY
VIJAYAWADA, ANDHRA PRADESH**

This MoU is entered into on the day of 20th, AUGUST 2018 between NRI Institute of Technology (Autonomous) situated at Pothavarappadu, and Vijayawada (hereinafter called NRIIT and NIMRA COLLEGE OF ENGINEERING & TECHNOLOGY (hereinafter called NCET), an Engineering college affiliated to Jawaharlal Nehru Technological University, Kakinada. The aforesaid institutions are hereinafter referred to individually as institute and collectively as institutes. Sri Durga Malleswara Educational Society was established in 2007 with the objective of reaching the zenith in the field of education. NRI College of Pharmacy, started in 2007 and NRI Institute of Technology, started in 2008 are the result of such sincere and dedicated efforts and stern determination of the founders of the society. NRI Institute of Technology is an AICTE approved Institution affiliated to the JNTUK which functions as a private self-financing institution to cater to the needs of juvenile aspirants in and around Vijayawada. The promoters of NRIIT started the college with a vision to empower the students with vibrant technology, sensitively matured and innovative to face the challenges of real time global experiences. The founders are socially conscious and continuously responding to the needs and requirements of the region, to uplift the region and to promote educational facilities by establishing schools, to promote games and sports activities in the region, help the poor and improve their health standards by organizing free medical camps etc., Since the day of inception, NRIIT has been growing at a credible but steady pace for an educational institution of its kind. Both NRIIT and NRI College of Pharmacy have been taking a place of pride every year JNTUK results are announced. NRI College of Pharmacy

had recently added a feather to the crown of the Society by successfully placing its first outgoing batch of dynamic young pharmacists in various esteemed Organizations is an Autonomous Institution with good discipline as well as Result oriented with NAAC-A Grade, JNTU Kakinada -Permanent affiliation and ISO Certified Institution and NIMRA COLLEGE OF ENGINEERING& TECHNOLOGY. In the interest of establishing a relationship of mutual benefit to both organizations, NRInsitute of Technology, Vijayawada (NRIIT)and(NCET)have agreed to the areas of collaboration on academic and research related activities as mentioned in this MoU.

1. Objectives:

1.1. To contribute further to the regional understanding between faculty and staff of NRIIT and NCETfor enhancing skills of students/aspirants through internship and vocational training in order to enhance the quality of Technical and Engineering education in the Country.

1.2. To strengthen collaboration between NRIIT and NCETthrough academic programs in instruction, research and faculty development among the faculty and students of both parties.

2. Scope

The Scope of collaboration on academic and research activities in this Memorandum of Understanding includes the following categories:

1. Developing research projects jointly and avail funding
2. Exchange of academic information, materials and facilities
3. Students Exchange
4. Faculty and Staff Exchange
5. Research aid to Ph.D. scholars by both parties
6. Intellectual property rights of the collaboration work belonging to both parties
7. Organizing/participation in Joint symposia, seminars, conferences, workshops etc.
8. Developing articulations for twinning/joint programs and allowing students to undertake part of the programme/course of study at each organization; and
9. Promoting such other activities/programs as mutually agreed from time to time.

2.1 Developing research projects jointly and avail funding

Both the parties agree to undertake research projects/activities through sharing of research ideas, data and academic resources that can lead to joint publications, development of any product or other intended outcomes like Intellectual property rights/ patents/discoveries generated out of the research activities, belonging to both parties. Such collaboration

activities will also include joint research conferences, visitations and sabbaticals at each other's premises; subject to mutual consent of both the parties. All such joint research activities will be governed by the terms and conditions lay down by separate written agreement by both organizations.

2.2 Exchange of academic information, materials and facilities

Both parties agree to exchange academic information, facilities, resources etc. as mutually agreed from time to time.

2.3 Students Exchange

Short Courses/ Summer School: These courses, usually two to four weeks in duration, will normally be held in spring or summer as mutually agreed. The programs will facilitate visits by students and faculty to learn about the industry environment and culture. In addition to various topics on industry operations and culture, the course would include meetings with industry executives, and visits to various industrial establishments. The cost and other terms of such programs will be mutually worked out separately each year.

2.4 Faculty and Staff Exchange

Both organizations agree to develop opportunities for faculty to teach courses, conduct seminars and undertake such other activities at each other's campus as mutually agreed. Visiting faculty will be provided with opportunities to observe and share teaching methods and curriculum. NRIIT and NCET will exchange faculty according to the terms and conditions as mutually agreed upon.

2.5 Organizing/ participation in Joint symposia, seminars, conferences, workshops etc.

Both organizations will promote their faculty and staff participation in the conferences, conclaves and seminars organized by each other to strengthen the ties between both the organizations and will also jointly organize symposia, seminars, conferences, workshops and other programs as mutually agreed.

3. Advertising & Publicity

Memorandum of Understanding (MoU)

Between

Dr.Lankapalli Bullayya College of Engineering(Women)

And

Nimra College of Engineering and Technology

This Memorandum of Understanding ("MoU") is entered into on 20th August, 2018 by and between **Dr.LankapalliBullayya College of Engineering(Women)** located at Resapuvanipalem,DwarakaNagar,vishakapatnam,Andhra Pradesh 530013hereinafter referred to as "College 1," and **Nimra College of Engineering and Technology**, located at Jupudi Village, Ibrahimpatnam (M), Vijayawada-521456, hereinafter referred to as "College 2."

Purpose:

The purpose of this MoU is to formalize the collaboration and cooperation between College 1 and College 2 for the following purposes:

- Internship opportunities for students.
- Joint workshops, seminars, and training programs.
- Collaborative research and development projects.
- Any other relevant educational initiatives.

Scope of Collaboration:

- Both colleges agree to facilitate and support students' internships.
- Collaboration on planning, organizing, and conducting workshops and training programs.
- Jointly identifying, planning, and executing research and development projects.
- Exchange of resources, faculty, and expertise for the betterment of both institutions.

Terms and Conditions:

- Both colleges will define the specific terms and conditions for each type of collaboration (internships, workshops, projects) in separate agreements.
- All activities shall be conducted in accordance with relevant laws and regulations.
- Both colleges will maintain open and transparent communication throughout the collaboration.

Duration:

This MoU shall be in effect for a period of 1 year, commencing on 20th August, 2018. It may be renewed upon mutual agreement of both parties.

46

Termination:

Either party may terminate this MoU with written notice to the other party if there is a breach of any terms and conditions outlined herein or for other valid reasons agreed upon by both parties.

Governing Law:

This MoU shall be governed by and construed in accordance with the laws of Government of Andhra Pradesh.

IN WITNESS WHEREOF, the parties hereto have executed this MoU as of the date first above written.

Memorandum of Understanding (MoU)

Between

Nimra College of Engineering and Technology

And

Sree Vahini Institute of Science & Technology

This Memorandum of Understanding ("MoU") is entered into on 2nd Day of July, 2018 between **Nimra College of Engineering and Technology**, located at Jupudi Village, Ibrahimpatnam (M), Vijayawada-521456, herein after referred to as (I Party) and **Sree Vahini Institute of Science & Technology**, located at Sai Vahini Nagar, By-Pass Road, Tiruvuru-521235. A.P. (II Party)

Objectives of MoU:

The purpose of MoU is with reference to exploring the areas of co-operation, benefiting both the Institutions. The areas of co-operation are

- i. To explore the possibilities of mutual support in the field of learning, training etc.,
- ii. To establish meaningful linkages between the Institutions.
- iii. To achieve excellence in Technical Education through an attitude of outreach & Partnership.
- iv. Encourage faculty members to collaborate on research, teaching and professional development. This can lead to the exchange of expertise and the development of innovative teaching methods.
- v. Work together on community outreach and engagement projects, such as providing educational and vocational training programs to the local community. The objective is to fulfill the colleges' social responsibility.

Commercials:

This is a non-commercial agreement whereas neither party is required to make any payment to other party for fulfilling the above objectives. The present MoU is not legally binding on the parties.

Terms & Conditions:

This memorandum of Understanding will be operational and valid from 02.07.2018 and the initial tenure is one year. Upon completion of the tenure, the agreement can be renewed for another one year and so on with mutual consent of both parties. Under normal circumstance, either party wanting to terminate the agreement can do so and it can be done on a mutually agreed upon date in a justified way with a notification given at least one month prior to termination date.

This Memorandum of Understanding ("MoU") is entered into on 11th June, 2018 by and between **Rajamahendri Institute of Engineering & Technology**, located at Near Pidimgoyyi, Bhoopalapatnam, Rajamahendravaram-533107, Andhra Pradesh herein after referred to as (1st Party) and **Nimra College of Engineering and Technology** located at Jupudi Village, Ibrahimpatnam (M), Vijayawada-521456, Andhra Pradesh, hereinafter referred to as (2nd Party)

Purpose:

The purpose of this MoU is to formalize the collaboration and cooperation between Rajamahendri and Nimra for the following purposes:

- a. Internship opportunities for students.
- b. Joint workshops, seminars, and training programs.
- c. Collaborative research and development projects.
- d. Any other relevant educational initiatives.

Scope of Collaboration:

The specific projects, initiatives, and areas of collaboration to be pursued under this MoU include:

- a. Both colleges agree to facilitate and support students' internships.
- b. Collaboration on planning, organizing, and conducting workshops and training programs.
- c. Jointly identifying, planning, and executing research and development projects.
- d. Exchange of resources, faculty, and expertise for the betterment of both institutions.

Terms and Conditions:

- a. All activities shall be conducted in accordance with relevant laws and regulations.
- b. Both colleges will maintain open and transparent communication throughout the collaboration.

SD

Duration:

This MoU shall be in effect for a period of 1 year, commencing on 11th June, 2018. It may be renewed upon mutual agreement of both parties.

Termination:

Either party may terminate this MoU with written notice to the other party if there is a breach of any terms and conditions outlined herein or for other valid reasons agreed upon by both parties.

Governing Law:

This MoU shall be governed by and construed in accordance with the laws of Government of Andhra Pradesh.

IN WITNESS WHEREOF, the parties hereto have executed this MoU as of the date first above written.
