Sub:- Directive on Parking Regulations for Staff and Students' Vehicles (Two/Four Wheelers) – Reg.

Please be advised to all the Staff and students, that designated parking areas have been allocated opposite the NCET Entrance Gate for the parking of both Two and Four Wheelers belonging to Staff Members and Students. In accordance with directives outlined by higher education authorities and the Environmental Protection Act of 1986, strict adherence to the following guidelines is imperative to safeguard the environment within the college premises:

1. Upholding a zero-emission policy on campus is mandatory.
2. Access of any motor vehicle onto the campus premises is strictly prohibited.
3. Physically challenged individuals may use low-emission vehicles within the campus after obtaining prior authorization from the Principal or appropriate higher authority.
4. Encouragement of staff and students to utilize eco-friendly transportation such as bicycles is strongly recommended.
5. Only service vehicles such as ambulances and fire engines are permitted entry into the college premises during emergencies.
6. Disciplinary measures will be enforced against individuals using motor vehicles within the campus boundaries.

Your cooperation in adhering to these guidelines is greatly appreciated as we collectively strive to maintain an eco-friendly and sustainable environment within our college premises.

Sub:- Prohibition of Plastic Usage at NCET- Implementation Notice – Reg.

This notice serves to all the Staff and Students to communicate the decision regarding the strict prohibition of plastic usage within our campus premises. The competent authority at Nimra College of Engineering and Technology has resolved to implement the following measures to enforce the ban on single-use plastic materials:

1. It is mandatory for all students and staff members to refrain from bringing non-biodegradable items onto the campus.
2. Placement of signboards at various locations across the campus will be initiated to extensively discourage the usage of plastic materials.
3. Usage of plastic materials within areas such as canteens, hostels, etc., will be strictly prohibited.
4. Emphasis will be placed on the avoidance of plastic bags, encouraging the adoption of alternative solutions such as cloth bags, paper, etc.

Your cooperation in adhering to these directives is crucial as we work collectively to create a plastic-free environment within our campus.
