## ABOUT COLLEGE

NCET a self-financed institution, was established by Nimra Educational Society in the year 1997. The College is situated on the main NH 09 (Vijayawada- Hyderabad Highway), just 17 KM away from the traditional city - Vijayawada in Andhra Pradesh. NCET is affiliated to Jawarharlal Nehru Technological University, Kakinada, and approved by All India Council for Technical Education (AICTE), New Delhi.

NCET is recognized and known as the best college for engineering education in Costal Andhra. The College provides its students with modern educational facilities while retaining traditional values, as well as using its strong industrial contacts to mould young, talented individuals who can compete in the global arena.

In an intensely competitive environment, the college has adopted a dynamic, global, high- quality, creative and communicative approach in education. The college aims at imparting high quality excellent education in Engineering and Technology to all categories of students.

### Objectives:

Nimra College of Engineering and Technology has successfully organised "A One Week Faculty Development Program on Advanced Techniques in Robotics and Automation". The main objective of the program is the recent changes in the industrial scenario have made industrial automation an emerging field for students, teachers and researchers..

### Topics Covered:

- Introduction to Robotics and Automation
- Advances in Robotics
- Control Techniques.
- Fluid Power Control
- Visual Surveying
- Optimization Techniques

### Outcomes of the Programme:

An open feedback was collected from the faculty members and they conveyed that the program was very helpful. The course will provide a forum for faculty members to exchange idea on the state of the art research and development in the field of Robotics and Automation. The course will also help to identify future research needs in the inter disciplinary emerging file.

## ABOUT COLLEGE

NCET a self-financed institution, was established by Nimra Educational Society in the year 1997. The College is situated on the main NH 09 (Vijayawada- Hyderabad Highway), just 17 KM away from the traditional city - Vijayawada in Andhra Pradesh. NCET is affiliated to Jawaharlal Nehru Technological University, Kakinada, and approved by All India Council for Technical Education (AICTE), New Delhi.

NCET is recognized and known as the best college for engineering education in Coastal Andhra. The College provides its students with modern educational facilities while retaining traditional values, as well as using its strong industrial contacts to mould young, talented individuals who can compete in the global arena.

In an intensely competitive environment, the college has adopted a dynamic, global, high-quality, creative and communicative approach in education. The college aims at imparting high quality excellent education in Engineering and Technology to all categories of students.
