PROGRAMME REPORT

Name of the Programme: "A One Week Faculty Development Program on Advanced Tools & Techniques for Research Methodology"

Date : 11-03-2019 to 16-03-2019.

Details of the Resource Person:

- Name : Dr. ABDUL BAJI
- Designation : PROFESSOR & PRINCIPAL
- Department : MBA
- Organization : NIMRA COLLEGE OF BUSINESS MANAGEMENT, JUPUDI.
- E-mail Id : abdulbaji14@gmail.com
- Contact No. : 8985671586.

Objectives:

Nimra College of Engineering and Technology has successfully organised "A One Week Faculty Development Program on Advanced Tools & Techniques for Research Methodology". The main objective of the program is to develop basic traits of diving into a research paper writing, To understand the importance of doing a good literature review.

Topics Covered:

- Research Paper Writing
- How to write Literature Review in Research Papers
- An overview of Research Ethics & Plagiarism Issues
- Application of Statistical Tools in Research Paper
- Research Data Analysis Using SPSS
- Introduction to Statistical Data Analytics with R
- Content Copyright-Mine the work

Outcomes of the Programme:

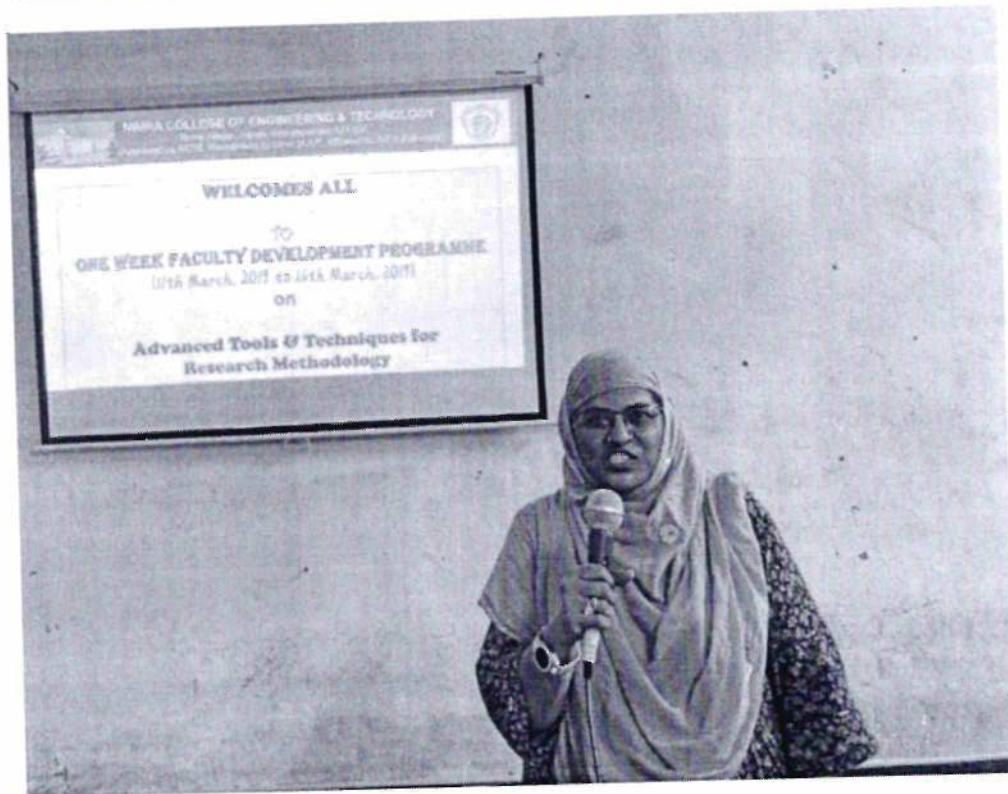

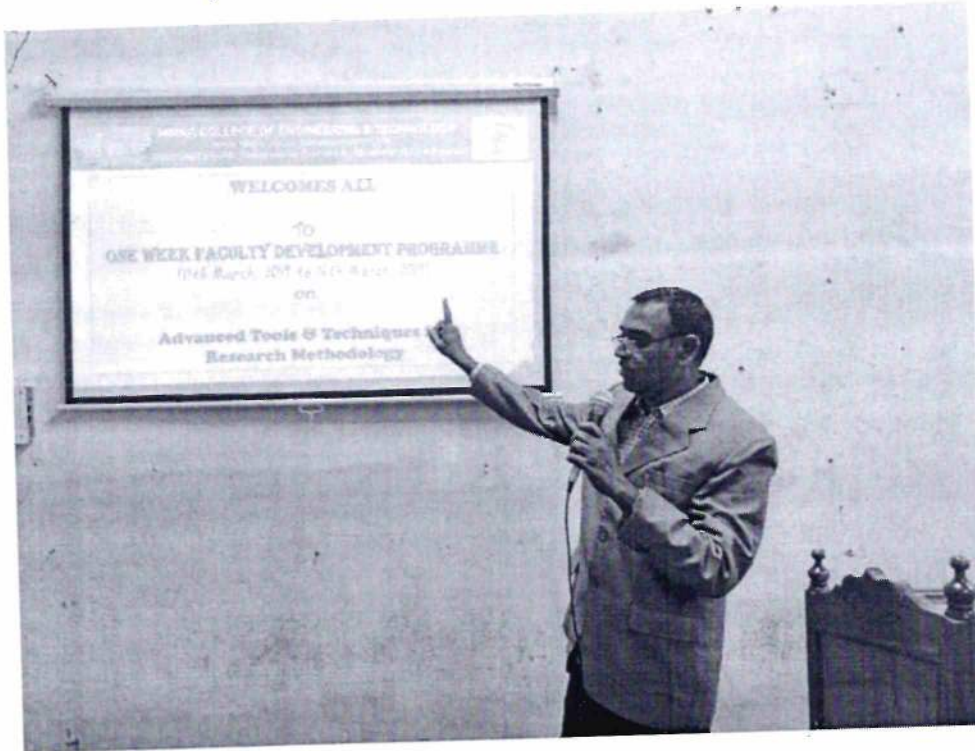

An open feedback was collected from the faculty members and they conveyed that the program was very helpful. From the covered topics participants will get in depth understanding of research and its implications in decision making process. Gain better understanding on how to design a valid research paper to answer specific research questions.

NIMRA COLLEGE OF ENGG. & TECH.

Nimra Nagar, Jupudi-521 456. (A.P)

ABOUT COLLEGE

NCET a self-financed institution, was established by Nimra Educational Society in the year 1997. The College is situated on the main NH 09 (Vijayawada- Hyderabad Highway), just 17 KM away from the traditional city - Vijayawada in Andhra Pradesh. NCET is affiliated to Jawaharlal Nehru Technological University, Kakinada, and approved by All India Council for Technical Education (AICTE), New Delhi.

NCET is recognized and known as the best college for engineering education in Coastal Andhra. The College provides its students with modern educational facilities while retaining traditional values, as well as using its strong industrial contacts to mould young, talented individuals who can compete in the global arena.

In an intensely competitive environment, the college has adopted a dynamic, global, high-quality, creative and communicative approach in education. The college aims at imparting high quality excellent education in Engineering and Technology to all categories of students.

Objectives:

Nimra College of Engineering and Technology has successfully organised "A One Week Faculty Development Program on Emerging Trends in Electric & Electronics Applications". The main objective of the program is to Motivate researchers and postgraduate students in universities and research institutions to focus on electrical energy and information technologies..

Topics Covered:

- Design and development of switched reluctance motor
- Energy management in Home
- Integration of micro grid

Outcomes of the Programme:

An open feedback was collected from the faculty members and they conveyed that the program was very helpful also it provide a inter-Disciplinary forum for academics, Practitioners and educators to present and discuss the most cutting-edge solutions in Electronics and Electrical Engineering

Topics to be Covered:-

- Emerging Trends in Electric and Electronic Applications is a prestigious event which provides an excellent platform for the academicians, researchers, engineers, industrial participants and aspiring students to share their research work with experts.
- We hope that the conference will contribute significantly to scientific field and society.
- The organizing committee of the conference is pleased to invite prospective authors to submit their original manuscripts.

The presented manuscripts that meet a maximum standard of quality will be recommended for publication in WoS indexed journals.
