<p>Description</p>	<p>A one-day Technical Event on “Business Ideas” was organized by the Tech Titans Club of Nimra College of Engineering and Technology (NCET) on 13th October 2025. The primary objective of this event was to promote innovation, creativity, and entrepreneurship among students by encouraging them to design and present feasible business ideas and startup models that address real-world challenges.</p> <p>The event was graced by the Chief Guest, Principal Dr. Akbar Khan, who delivered an inspiring speech highlighting the significance of developing an entrepreneurial mindset in today’s competitive world. He emphasized that innovation and persistence are the keys to transforming small ideas into successful ventures. His words motivated the students to think beyond academics and contribute meaningfully to the nation’s economic and technological growth.</p> <p>The event witnessed enthusiastic participation from students across various branches. Each participant presented their startup concepts confidently, focusing on domains like technology-driven businesses, agricultural innovations, environmental sustainability, and smart automation. Some students proposed AI-based solutions for daily life problems, while others shared ideas on sustainable energy and digital platforms for modern enterprises.</p> <p>A panel of judges evaluated the presentations based on creativity, feasibility, presentation skills, and the overall impact of the ideas. The judges also provided valuable feedback to help participants refine and further develop their startup concepts. The audience actively engaged by asking insightful questions, which made the session interactive and thought-provoking. The entire seminar hall was filled with enthusiasm and intellectual discussions, making the event a memorable learning experience for everyone.</p> <p>Winners of the Competition:</p> <ul style="list-style-type: none"> ○ First Prize : Haider Ali, 3rd Year AIML ○ Second Prize : Rupesh Kuswaha, 3rd Year AIML ○ Third Prize : Jhansi Devi, 1st Year AIML <p>The winners were appreciated for their creativity, clarity, and practical approach toward their business concepts. They received certificates and were acknowledged by the Principal and faculty members for their outstanding efforts and innovative thinking.</p> <p>At the conclusion, the best innovative ideas were appreciated with prize money, and certificates of participation were distributed to all the participants. The event concluded successfully with great appreciation from both students and faculty members, serving as a motivation for aspiring entrepreneurs to take their first step towards innovation and business creation.</p>

The competition was evaluated by an esteemed panel of judges:
